PROCEEDINGS

Eighty-Third Annual Session

SOUTH FORK BAPTIST ASSOCIATION

October 5, 1961

1. A clear sky and the welcome rays of an autumnal sun greeted both days of the 83rd annual convocation of South Fork Baptist Association and surely more favorable weather never smiled on such a gathering.

2. The program opened on schedule with C. H. Greene, vice moderator, presiding. Bill Morrow directed the singing and Judy Friday played the organ with Mrs. A. E. Weaver at the piano, in Lincoln Avenue Baptist Church.

3. After the devotion by Boyce Earnhardt, C. E. Parker was asked to take the chair and Brother Greene explained the absence of moderator Eddie Reynolds. After words of praise for his excellent service as moderator and pastor, he moved that appropriate expressions be made to him by the clerk on behalf of the association and that a floral expression also be sent to the home. The motion carried unanimously. Brother Reynolds was recuperating from a serious heart attack suffered August 27.

4. L. D. Hoyle reporting for the registration committee announced that thirty churches were already represented with 162 messengers and 75 visitors. He moved that these and others arriving during the sessions constitute the 83rd annual session and a unanimous vote declared the body ready for business.

5. Wayne Haynes introduced our new pastors: W. L. Blanton, Guy Longshore, Floyd Kirksey, Bill Abel, Gaither Shrum, Thomas B. Harris, Thomas C. Ayers, Ernest Sisk, W. Darrell Saunders, Kenneth Hughey, Wray Barrett, and W. W. Abernathy. Floyd Kirksey was away in school. Ernest Sisk and Gaither Shrum were not present at the time.

6. The printed program was presented by A. V. Ledford and adopted. The attractive pamphlet programs on enameled paper were planned by moderator Reynolds patterned after the Southern Convention programs in May.

7. Marse Grant was present and was allowed time to speak on Christian Literature at this point as he could not be present for the evening session. He is editor, of course, of the Biblical Recorder and formerly editor of a Lincoln County newspaper.

8. The digest of letters was presented by the clerk.

9. After reading her history report, Miss Beda Campbell gave a most interesting historical sketch of the association.

10. Before Harding Caldwell read his report on Christian Education, the Gardner-Webb College choir sang, directed by Mrs. Robert Gidney with Miss Faye Cansby at the piano. A. Leroy Parker of Greensboro was guest speaker discussing the subject.

11. With Herbert Miller in the chair, C. H. Greene moved that we go on record as approving the action of the State Convention asking for a 35 per cent increase in Cooperative Program gifts to forward our work in the field of higher education. The motion carried.

12. The college choir again sang before the annual sermon by Wayne Haynes. His subject was "Gripping the Truth" based on a part of the 10th verse of 2 Samuel 23, "and his hand clave unto the sword." He urged us to grip four truths; that all men by nature and choice are lost, that God expects us to witness to them, that God has empowered us for this task, and that God acts now.

13. In his benediction prayer L. A. McClure expressed thanks for the noon meal about to be served.

THURSDAY AFTERNOON, OCTOBER 5, 1961

14. After the devotion by Bill Morrow, C. E. Parker reported for the Extension Committee. West Lincolnton Church was recommended for watch care and greetings were extended pastor J. W. Blanton and his group after an approval vote. David Memorial Church was recommended for full membership following a year of watch care and the moderator greeted the messengers who were seated officially. Pastor Bill Bailey was away at school at this time.

15. Wade McKnight reported for the committee on committees. His report is reflected in the Associational Directory where the committees are listed.

16. E. W. Friday reported on the American Bible Society and an offering was taken amounting to \$40.89 for this cause.

17. The report on our Baptist Hospital by Troy Liner was discussed by Carl Poston, a chaplain of the hospital.

18. The clerk made a verbal report for the Executive Committee at the request of Eddie Reynolds. He pointed out approval of the Christian Education advance program and the Seminary Extension Center. Also this committee approved the

recommendation of the finance committee that the title for the car be turned over to the associational missionary and an allowance be made on mileage basis for its operation.

19. Herbert Miller presented the finance committee report. He made a separate motion that the car title be transferred to the associational missionary as there seemed to be some doubt that this was included in the original motion.

20. Wade McKnight brought words of personal appreciation from Eddie Reynolds singling out vice moderator Greene and clerk Walker and voicing gratitude for every act and thought of the many friends who have followed him prayerfully through his sickness.

21. In reporting on Sunday School, Herbert Miller had Boyce Earnhardt to discuss the coming January Bible Study Week. R. T. Greene was the guest speaker to discuss this subject.

22. The afternoon session adjourned with prayer led by James M. Newman.

THURSDAY EVENING, OCTOBER 5, 1961

23. Music for the evening session was directed by Kenneth Hughey. Bill Abel had the devotion.

24. The report on evangelism by Wade McKnight was read by Wayne Haynes. It had a recommendation involving an expenditure. The adoption was made on condition that such expenditures as may be involved in point six would come from that part of the budget set aside for evangelism.

25. Gerald N. Hewitt read his report on Christian Education, it was discussed by Marse Grant in the morning session.

26. Paul Drum read the Baptist Annuity report and discussed it.

27. Ryan Shelton discussed the Training Union report which he read.

28. The auditor's report was read by the clerk and Mrs. Sanford read the treasurer's report.

29. The evening session was climaxed with a stewardship message by Frank Taylor who used Luke 6:46 as a text, "Why call ye me, Lord, Lord, and do not the things which I say?"

FRIDAY MORNING, OCTOBER 6, 1961

30. The association convened at the Southside Church on Friday morning with Haskell Sides leading the music and Dar-

rell Saunders conducting the devotion.

31. Paul Benfield, assistant to pastor Eddie Reynolds for the time of his sickness, acted as host pastor and brought words of welcome.

32. The first report was made by Bill Morrow on Children's Homes and discussed by John Roberts of Thomasville.

33. Kenneth Hughey read the report on Homes for the Aging by C. B. Bobbitt and Ethel Cottingham of the Hayes Memorial Home spoke for the institution.

34. In the absence of any one to report for the Christian Action League, Harding Caldwell was called on to make a few remarks. An offering was made totaling \$23.84.

35. E. W. Friday conducted the memorial service with a background of soft organ music played by his daughter, Judy.

36. C. E. Parker reported for the activities committee of which he was chairman.

37. After a brief period of announcements and a song the doctrinal sermon was brought by C. E. Parker who spoke on "Our God Is Able." He spoke convincingly on His power to save, to succor, to supply, to surpass, and to secure.

38. The benediction was led by P. A. Hicks who gave thanks in his prayer for the noon meal about to be enjoyed.

FRIDAY AFTERNOON, OCTOBER 6, 1961

39. The afternoon session began promptly on time but the clerk was delayed and the first report which was in his hands to be read necessitated a slight revamping of the order of business. In this period the resolutions committee report was made by Harding Caldwell.

40. E. W. Friday reported for the Place and Preacher committee recommending Calvary at Newton and Mount Ruhama churches for the next meeting places with these churches deciding which would entertain the first day. Riley Huckaby was named to preach the annual sermon and Frank Taylor was again named alternate preacher.

41. The report on Woman's Missionary Union was read by the clerk for Mrs. I. A. Hallman who was at the bedside of her husband in a Charlotte hospital.

42. The trustee report was read by the clerk for H. M. Craig. There being no Brotherhood report it was voted to get one for the minutes.

43. On motion by A. V. Ledford it was decided to replace the name of Wade McKnight, approved Thursday evening as chairman of the evangelism committee, with the name of the chairman of evangelism about to be elected as a general officer of the association, in conformity to the constitution.

44. Troy Liner reported for the nominating committee. There was an error in the paper being read and the matter was delayed for clarification.

45. While the clerk was away from the desk with Mr. Liner and Mr. Reynolds in his home, Harding Caldwell took his place. At this time the moderator, vice moderator, clerk, and treasurer were elected, these being nominated from the floor. The name of Mr. Reynolds was withdrawn at his request, Paul Benfield speaking for him. These were all elected by acclamation and their names appear in the directory.

46. Reports on world missions were made by Truitt Beard for associational missions and read by the clerk, Guy Longshore for state missions, C. H. Greene for home missions, and L. A. McClure for foreign missions. After a few brief discussions by local brethren, the report as a whole was ably discussed by E. C. Upchurch from Raleigh.

47. Troy Liner again appeared to present the report of the nominating committee and the officers elected appear in the directory of this minute.

48. The moderator called on L. A. McClure to present the four floor-elected officers which after a song he did as if he had prepared for it well in advance.

49. The closing message of the annual meeting was brought by Rev. Billy Rivers of Lenoir who used the themes of the five session as subdivisions of a message on Christian Growth, the program theme.

50. Rev. M. L. Bailey, pastor of the newly admitted church, led the closing prayer.

51. Sumptuous meals were served both days. Lincoln Avenue ladies served from their hut using packaged boxes to expedite the serving. The Southside ladies served from the kitchen of their recreation room and tables scattered about under the trees added to the accommodations of the hour. It had been hoped that the Lincoln Avenue Church would be far enough along with their new building to use it.

52. There were 325 registered the first day and 232 the second day making a total registration of 557.

PROCEEDINGS
Fifty-Second Annual Session
WOMAN'S MISSIONARY UNION
South Fork Baptist Association
April 21, 1961

The Antioch society was host to the 52nd annual session of the South Fork Woman's Missionary Union, April 21, 1961, the program beginning at four o'clock. There was a total registration of 110 representing 26 South Fork churches, and the theme was "His Message Must Be Sent."

Outstanding on the program were the two messages by Miss Lorene Tilford, missionary to Taiwan, and Miss Sara Ann Hobbs, state YWA director, Raleigh. Also a playlet by Mount Ruhama girls on stewardship was well received.

The By-Laws were amended as recommended by the revision committee and are to appear in the 1961 minutes of the district association. It was voted to accept the invitation of Hull's Grove Church for the 1962 meeting and the date was set for April 9 if the state itinerary can be adapted to this date. A Monday date was thought to involve less conflict.

The officers-elect will be listed in the directory of the 1961 minute, and details of work in the several units will appear in the statistical table. In her annual report, Mrs. I. A. Hallman, president, recognized 10 Honor Units, 6 Advanced Units, and 5 Approved Units.

It was decided to "up" the dues from 25 cents to 30 cents per member. The nominating committee to report in 1962 consists of Mrs. J. A. Burris, chairman, Mrs. R. P. Parker, and Mrs. Ruth Peeler.

WRITTEN REPORTS

The following are written reports for use in this publication. Some have been shortened to comply with the 300 word limit required by our constitution. All have been properly approved.

ACTIVITIES COMMITTEE

Charles E. Parker

The chairman of the Activities Committee met with Brother Alvin Walker, Associational Missionary, and Brother Eddie Reynolds, Moderator of the Association, and outlined a program of activities for the Sunday School, Training Union, Brotherhood, and Woman's Missionary Union for the year 1960-61. These programs were mailed to the department heads for their approval. After acceptance by the leaders of these groups, the program was adopted.

The regular monthly meetings were carried out in a wonderful way. The Churches and organizations were greatly strengthened. The committee would recommend a vigorous program for the year 1961-62 with increased publicity given to the meetings and helpful programs planned to challenge the Churches and organizations.

AMERICAN BIBLE SOCIETY

Ernest W. Friday

During 1960 the American Bible Society -

- rejoiced that some part of the Bible has been published in 1,165 languages, the full Bible in 221, a Testament in 277 more and a Gospel or other complete book in 667 more.

- gave over a million Scripture volumes for distribution by chaplains to our Armed Forces and Veterans' Hospitals.

- observed its 125th anniversary of supplying Scriptures for the blind, far below cost.

- enlarged the ministry of the Finger-Fono, a phonograph operated by one finger, with Bible records in the languages needed, for use in areas throughout the world where many people cannot read. Records are now available in 30 languages and others are being prepared.

- helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single year; also sustained interest in Japan where Scripture distribution has averaged almost two million volumes for the last five years.

- distributed throughout the world a record total of over 23 million volumes of Scriptures.

Southern Baptists support the work because the Society serves mission work; Southern Baptist missionaries depend on the Society for Scriptures they need for their people; Southern Baptist churches believe in the missionary importance of giving to the American Bible Society. In 1960 Southern Baptist churches gave \$151,626 to the American Bible Society. Methodist gifts led with a total of \$151,934. Gifts from all churches in U.S.A. totaled \$1,001,768. Although gifts have increased and the work has expanded, the worldwide need for the Bible is still greater than the supply.

ANNUITY BOARD

Paul K. Drum

NAME CHANGE

The Relief and Annuity Board no longer exists, name-wise that is. The official name is now Annuity Board of the Southern Baptist Convention. Baptists over the Convention are urged to use the Board's new name.

NEW MEMBERS

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protective Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full ten per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columbia had the highest percentage, 94. Seven of the states were in the 60's, percentage-wise, and eleven showed a participation of between 50 and 60 per cent. The remaining three were above the 45 per cent mark. Average participation of all states was 63 per cent.

BENEFITS

Benefits amounting to \$2,754,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four-hundred forty-six were new annuitants, added in 1960. Since the Board's beginning in 1918 it has paid out benefits totaling \$34,425,100.55.

OUR REPRESENTATIVE

Rev. R. T. Green, field representative for North Carolina, has his office at the state headquarters in Raleigh, mailing address—301 Hillsboro Street. Rev. Mr. Greene is available for personal conferences with pastors or church leaders. Write him for arrangements.

ASSOCIATIONAL MISSIONS

Truitt Beard

The South Fork has no direct mission work but there is one mission sponsored by the Macedonia Church. Our activities in this field are confined largely to the work of our associational missionary.

Alvin Walker, our missionary, reports the following figures on his work: 1,245 personal conferences, 7,139 monthly bulletins prepared and distributed in 12 issues, at least 11,659 miles traveled in official trips, 154 pieces of first class mail, 589 circular letters in seventeen mailings, 63 sermons and talks besides ten other sermons in one revival, 42 Sunday School classes taught, 9 study courses led, 10 radio devotions, 70 meetings attended with little or no participation, worked in three Bible Schools, 11 professions of faith, 10 dedications to church related service, and one VBS clinic prepared and directed with 191 attending from 33 churches.

He prepared and distributed most of 250 Calendars of Activities, prepared and mounted three theme displays for associational use, presided over Region 8 Training Union Convention and was re-elected president, assisted in the Seminary Extension School, officiated in two ordinations of preachers, assisted in one religious census, participated in 6 other associational meetings such as WMU, attended 13 meetings outside the association such as State Convention, served as clerk of the South Fork, served as hospital chaplain to two Lincoln-ton hospitals for one week, helped in several church services such as officiating at the table of the Lord's Supper in the absence of a pastor, and did many personal favors in drafting and mimeographing letters, etc.

AUDITOR

W. R. Abernathy

I have audited the books and accounts of the treasurer and found them to be correct and in good order.

BROTHERHOOD

H. M. Morrow

Brotherhood work has made a slight gain this year with a new adult unit at Leonard's Fork, also an RA chapter, and with a gain of 46 total enrollment in the association.

Our only associational meeting was held at Southside Church in January in conjunction with the Woman's Missionary Union and emphasis was given to Home Missions in the general assembly. In the meeting for men and boys stress was put on new organizations.

It is urged that every church give more attention to the crying need for a ministry to our boys. We need a Brotherhood in every church if for no

other reason simply to foster Royal Ambassador work. A new program has come out for boys featuring three age groups with three years each beginning with nine-year-olds. The youngest group is known as Crusaders, the next group, ages 12-14, is Pioneers, and boys 15-17 are Ambassadors with a program very much like that of the Brotherhood.

CHRISTIAN LITERATURE

Gerald N. Hewitt

There was a time, not many years ago, when Christian men were willing to die, if necessary, for the privilege of reading the Bible and other Christian literature. But, it seems today that men in general would rather die than read the Bible. Read! A small word. But, the salvation of the world depends upon the informed witness of God's people. No person is informed who does not read. Paul, in writing to Timothy, said, "continue in what you have learned and have firmly believed, knowing from whom you learned it, and how from childhood you have been acquainted with the sacred writings which are able to instruct you for salvation through faith in Christ Jesus." (II Tim. 3:14 R. S. V.)

Most Americans read. But, yet, there is a spiritual vacuum in the minds of Americans. The material they read is mentally filling, but completely lacking in spiritual nourishment.

Baptists believe, generally, that each person, as a free moral agent, when given the ability and opportunity to read the Bible, can find God's will for himself. If this assumption is true, and we believe it is, is it so mysterious that we Baptists seem not to be able to know God's will when so few of His children read the Bible or any Christian literature?

Of the 44 churches in this Association only 24 have the **Biblical Recorder** entering any homes of their membership each week. An all out effort should be made this year in each church of this Association to send the **Recorder** into each home of its membership. The quality of the **Recorder**, with its new format and attractive cover page, has attracted attention both within and outside Southern Baptist circles. The reasonable price makes the **Recorder** available and within reach of every Baptist home in the South Fork Association.

CHILDREN'S HOMES

Bill Morrow

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

The ministry at Baptist Children's Homes of North Carolina is child centered, Christ centered, and church centered. It is based on the redemptive

plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self, and trust in God.

These boys and girls live at Mills Home, Kennedy Home, and Odum Home. There are 127 boys and girls in Foster homes, and this is 35 less than were in Foster homes last year. This trend can be changed only through additional income. Many types of service to children in need are being delayed for lack of money.

The essence of Christianity is to love God, and then to share love and aid to others. If we love these children we will increase our support to them both in prayer and in a monetary way. We can help them by increasing our Transgiving offerings. We should have a desire in our hearts to help provide these children with love, food, clothing, shelter, schooling, medical care, and the necessities of life. God help us if we fail in this worthy cause.

CHRISTIAN EDUCATION

D. Harding Caldwell

The need for financial assistance in our seven Baptist Colleges has been a major issue among N. C. Baptists during the past year. A special session of the State Convention was held in Greensboro on May 4. At this meeting the Committee on Advance Program made known the needs of our seven colleges and recommended that N. C. Baptists launch a \$45 million campaign. A substitute plan was presented and adopted by a vote of 844 to 639.

The substitute plan states in part that the budget of the state convention beginning January 1, 1962 not be raised to exceed the amount of 5 per cent of the 1961 budget receipts; in 1963, an amount not to exceed 5 per cent increase over the 1962 budget receipts; in 1964, an amount not to exceed 5 per cent increase over the 1963 budget receipts. Also, that beginning January 1, 1962, we urge our churches to increase their Cooperative Program gifts at least 35 per cent during the years 1962-1963-1964, with the understanding that all undesignated Cooperative Program money received above the convention budget during these years mentioned, be distributed as follows: 85 per cent to the colleges and 15 per cent to the Baptist Student Union.

The future will reveal the results of this new plan. The real challenge is left to the churches to acknowledge the pressing needs of our seven colleges. Last year there was a total enrolment of 8,886. Out of this number there were 253 ministerial students, 76 Home and Foreign Mission Volunteers, 226 Church Education Volunteers, and 33 in Church Music.

What can we do about this pressing need to promote Christian Education? Let us try looking away from ourselves and from the valley below and look for the best method possible in giving due consideration to the promotion of Christian Education.

CHURCH EXTENSION COMMITTEE

Charles E. Parker

The Committee on Church Extension would like to recommend that the David Memorial Baptist Church be received into the full fellowship of the Association and that the West Lincoln Baptist Church be received under the watch care of the Association for a period of one year.

The David Memorial Church met all the requirements and specifications of the South Fork Association during the one year probation period. They made quarterly reports to the Pastors' conferences and to the Extension Committee of the Association and cooperated in the denominational program by supporting all the institutions and agencies of the Convention. The church also led in ratio of baptisms during the year in the Association. The Pastor, the Rev. Bill Bailey, attended the monthly Pastors' conferences and the Associational programs supported by the Sunday School, Training Union, and Woman's Missionary Union.

The West Lincolnton Church, having recently called the Rev. J. W. Blanton, requested that they be received under the watch care of the Association to prove themselves a regular Baptist Church. They have made some progress in this respect, but they need the prayers and cooperation of all the Pastors and Churches in the Association to accomplish what is required of them if they are to be received into the Association by the next annual session.

Your committee would heartily recommend that the Churches make a thorough study of the needs in the territory of the South Fork Association and take the lead in organizing missions and churches where they are needed. We would further recommend that the Executive Committee look into the possibility of leading the interdenominational groups to accept the assistance of the Association in formulating themselves into regular Baptist Churches under the supervision of the Committee.

EVANGELISM

Wade A. McKnight

These are tremendous days in which we live. Billions are being spent for getting men to the moon while comparatively little is being spent for getting men to God. The world's population is increasing by 48 million per year. All religions are winning only approximately 10 million per year. Many of these lost people live within the territory of our Association. In this desperate day God's people must awake to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God. To move forward we must start from where we are. Our Association is our best launching place. Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our Association participate in the "Baptist Jubilee Revivals" in the spring of 1962. That the date for the Revivals be set to begin on April 15 and go through April 29.

3. That each church prayerfully and studiously consider participating in these Baptist Jubilee Revivals.

4. That our Association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism, the date of this Clinic to be set for January 16, 1962.

5. That our Association recognize the elected associational officers as the evangelism committee, the chairman of evangelism to be the chairman of this committee, and that we pledge our whole-hearted co-operation to this committee.

6. That our Association send the chairman of evangelism to Ridgecrest for the annual conference on Evangelism during the Home Mission Week.

FOREIGN MISSIONS

L. A. McClure

As we think of world missions we think of some of the most important things that our minds can conceive of. We have our Associational Mission program, our State Mission program, our Home Mission program. I think we can hardly say that one of these different objects of mission work is superior to any other object of our work. Remember that Jesus said we are to be witnesses unto Him to the uttermost parts of the world beginning at home. We believe that the time is ripe now for some real missionary endeavor. Different kinds of doors are being opened and we are entering these doors, sometimes forcing the door open. We believe that we should try with renewed effort to try to meet lost people everywhere, and give them the introduction that they need to Jesus that they need so much. It was Jesus who said, "Go ye into all the world." Certainly this is a foreign mission endeavor. Let's be mission minded with prayer, with effort, and with our money.

HISTORY

Miss Beda Campbell

Church letters submitted in 1961 to the South Fork Baptist Association contained the following historical data:

Boger City purchased a lot for the new pastor's home now under construction. On July 14 the Craig Memorial church house was moved from the original location in Lincoln County to a new site just across the county line in Gaston County. Rev. Bruce Mathis was called as pastor of Faith, Nov. 13. Gainesville's fellowship hut was completed in August. Rev. William Abel

was called as pastor of Long Shoals, Nov. 6. Mt. Ruhama's pastorium was completed and paid for: the first full-time pastor, Rev. Riley Huckaby, came to the work Nov. 1; adopted a budget using the envelope system; received the gift of a \$3,000 Hammond Organ from Mrs. Zettie Wilson. Mt. Zion purchased a house on a spacious lot which is now in use as a pastorium.

In all there were five new pastoriiums completed this year and other building done that was not reported. We are sure that several organs were installed that were not reported but this year our music statistics will include a record of organs.

A Seminary Extension Center was opened October 3 with 55 enrolled. Wade McKnight was director with C. E. Parker and C. H. Greene teaching in the two classes. The school was held in Lincoln Avenue Church. A huge "blown-up" picture of this class was exhibited at the Southern Baptist Convention. This was our first Seminary Extension Center.

The first YWA Council was held at Lincolnton First Church with 56 present from 10 churches, April 24. Mt. Ruhama was host to the first Associational Girls' Auxiliary, May 19, with 221 in attendance.

HOME MISSIONS

C. H. Greene

The Home Mission Board of the Southern Baptist Convention was organized in 1845. Courts Redford is the present executive secretary. The various ministries of the board are very effectively coordinated, the administration consisting of several divisions as follows:

1. Chaplains Division, the program of the chaplaincy.
2. Evangelism Division, the program of evangelism.
3. Missions Division, program of associational and pioneer missions.
4. Program of City Missions.
5. Program of Language Group Ministries.
6. Program of work with National Baptists.
7. Church Loans Division.
8. Education and Promotion Division.

9. Related Ministries: a. Field Workers, b. Summer Workers (mission program), c. Tentmakers, d. Correspondence Bible Course.

The Board operates to effectively implement a united convention-wide program of home mission work for Southern Baptists. The Annie Armstrong offering and the Cooperative Program with special offerings and gifts provide the money for their operation. The Board provides a channel for each church to have a vital part in the total evangelism of the people in our land.

At the close of 1960 the Home Mission Board was serving in all our states including Alaska and Hawaii, and in Cuba, Panama, and the Canal Zone with 2035 missionaries. In addition it employed 525 summer student workers and 200 tentmakers. There are 431 active chaplains, 676 reserve chaplains, 92 in Air Patrol, 51 in veterans hospitals, 99 in other hospitals, 73 in institutional ministries, and 10 in industrial plants.

HOMES FOR THE AGING

Clarence Bobbitt

David once prayed that he not be cast off in his old age, and that he might have support when his strength failed him. This is a prayer that should concern all of us, because each one is moving toward the sunset of life. North Carolina Baptists are now, more than ever, beginning to realize we are our "Brother's Keeper" to help and sustain when life's days are getting shorter.

At present we have three Homes For The Aging in North Carolina. We have the Resthaven and the Haynes Home in Winston-Salem, and the Albemarle Home in Albemarle. There are 125 residents in these three homes, with 130 people who are waiting for admission.

The Hamilton Home, now under construction in Martin County, will be our fourth home. This home will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than January, 1962.

These homes are built and maintained by the generous gifts of our people. The special day offerings and gifts are running 17% ahead of last year's contributions.

The average age of the residents is around 80 years, and the life-span is increasing. Aunt Fannie Drumwright reached her 100th birthday on July 6th. She is the first resident in North Carolina Baptist Homes to reach this remarkable milestone.

These residents need not only our offerings, but our love and prayers also. Loving kindness and tender mercy shown these people will enable them to gaze upon the sunset of life with happy anticipations. Let us go back to our churches and increase our offerings so that we in Old-Age will feel the job of having helped others along the rugged pathway of life.

HOSPITAL

G. T. Liner

I do not deem it necessary or relevant to try to appraise the service rendered by our Baptist Hospital for the past year. This service can not be valued in dollars and cents. We can not value or measure health, happiness, hope, and life in the pecuniary sense.

I do not believe there is any cause or object of our Christian ministry that is of greater importance than our healing ministry. In many instances it was initial in the dealings of our Lord with many. He came into contact with in the days of His flesh, and was the very gateway to the soul of man, the primary object of His whole ministry.

For thousands in the past years there have been hundreds of thousands of dollars of free service rendered through the out-patient clinic of our hospital. Of course this service was free only to those who received it. Our hospital can render this kind of service only as we as Christian stewards supply the means by which this service can be made available.

The hope of still other thousands that will come to our hospital this coming year for medical, surgical, mental healing and spiritual help, strength, and guidance, depends upon our vision, understanding, and willingness to know and meet the need and supply the means.

I believe in the Mother's Day offering for the out-patient clinic, but it is not sufficient. I am sure that if the members of our churches understood the facts, function, and need of the out-patient clinic, they would contribute far more to this cause. There is no object in our Christian ministry any more worthy of a permanent place in our church budget than the out-patient clinic. Pastors, know and tell your people about the Baptist Hospital.

RESOLUTIONS

D. Harding Caldwell

1. In as much as the South Fork Baptist Association in its eighty-third annual session has been so graciously provided for in both a physical and a spiritual way, therefore, Be It Resolved that:

- (1) We express our appreciation to the Lincoln Avenue and Southside Baptist churches for their gracious hospitality and every provision for our physical comfort.
- (2) We express our gratitude to the Program Committee for arranging a splendid program which has proved to be a spiritual blessing to all.
- (3) We express our thanks to all committees who have rendered service during the year and in this session.
- (4) We express our thanks to our Vice-Moderator for the manner in which he has conducted each session.
- (5) We express our deep appreciation to our Moderator, Eddie Reynolds, for the work he did in planning for this eighty-third session.
- (6) Also, we express our gratitude to our Associational Field Worker for services rendered during the past year and to all who have appeared on the program of this session.

2. Further, Be It Resolved that each church in the Association give careful consideration and financial assistance to the needs of our seven colleges, and comply with the substitute plan set forth by the State Convention in special session on May 4.

STATE MISSIONS

Guy Longshore, Jr.

The function of our State Missions program, led by Dr. E. L. Spivey, is described as follows:

To survey and aid in the establishment of new mission points and new churches in North Carolina.

Work with the associations in studying and carrying out our plans for the development of new and undeveloped churches.

Work with the associational missionaries in the task of strengthening the district association as a vital unit of our Baptist work.

Work with those who are seeking to minister to special groups such as: the deaf people; the correctional institutions and other institutions that may need chaplaincy service, as Samarcand Industrial School for Girls, and McCain Sanatorium; other institutions or special groups.

Work with the Department of Interracial Cooperation in creating good will and rendering possible help to our racial groups.

Participate in conferences, rallies and various district and state programs to inform and encourage our people in their support of our total Baptist work and in the conduct and promotion of schools of missions and schools for pastors.

Currently 115 churches in 53 associations are receiving assistance on pastors' salaries from the State Mission Program. The Convention's investment in this program runs from \$85,000 to \$100,000 annually.

South Fork Association is presently receiving \$1,000 on Superintendent of Missions salary. The mission program is supplementing two of our pastors' salaries.

The State Mission Program of North Carolina embraces these and many other divisions of our state work.

Let us unite ourselves in mind and spirit to support our State Mission Program. "United we stand, divided we fall."

SUNDAY SCHOOL

Herbert P. Miller

The Sunday school report for the year shows, as you will note, that some progress has been made in the work but there is plenty of room for improvement.

According to the annual letters from the churches Sunday school enrollment has increased from 9,752 to 10,121 which is a 4% gain. Three associational meetings were held during the year and three additional meetings for associational officers. Twenty-seven churches earned 1,868 church study course awards, and 25 churches observed January Bible Study Week.

There were 39 church Vacation Bible Schools and one mission school with an enrollment of 3,663. Seven of these were standard schools: Boger City, Lawing's Chapel, Lincolnton First, Lincoln Avenue, Long Shoals, Mt. Ruhama and Southside. A total of 67 conversions were reported by these schools.

On recommendation of the officers, the S. S. workers at the September meeting approved the following goals for the new year.

1. Twenty-five churches earning at least 600 church study course awards in category 17.
2. Twenty-five churches observing January Bible Study Week.
3. Central Training School, February 19-23.
4. Have an associational Vacation Bible School Clinic.
5. A 2% increase in enrollment.

6. Urge all churches to observe Preparation Week in September.
7. Every church with a Vacation Bible School.
8. Three Standard Sunday Schools.
9. Observe Action Night September 11, 1962.

TRAINING UNION

Ryan Shelton

The picture for this past year in the South Fork was one of growth. In 1950 our Association had an enrollment of 3,024, average attendance of 1,603. The year 1961 had an enrollment of 3,254, average attendance of 1,837, which gives an increase in enrollment of 230 and an increase in average attendance of 234. In 1951 we had an enrollment of 1,345, and average attendance of 893. So, in ten years we have more than doubled.

Some Training Union events for the past year were: "M" Night, Tournaments, local Training School, Associational Officers' Clinic, and Election of Officers. Pastors and directors met to lay plans for "M" Night which was held December 5 at Mount Ruhama with a total of 831 present. The speaker was Dr. Ralph Herring who brought a good doctrinal message.

Our next Training Union meeting was in March at Salem Church with the Rev. Charles Ingle bringing the message. In April our Tournaments were held at the First Church in Lincolnton with participants in all four groups. Our June meeting was at Mount Ruhama Church with the Rev. Riley N. Huckaby as speaker. Emphasis was on the election of officers at our September meeting at the Reepsville Church. The speaker was the Rev. C. E. Parker.

Our associational Training Union meetings this past year were well attended and we enjoyed good fellowship. We had the best inspirational speakers this year we have been privileged to hear.

Celia Ann graduated from Mars Hill Junior College in the spring of 1960, and was able, by receiving this scholarship, to enter Meredith College, where she expects to complete her college education.

WOMAN'S MISSIONARY UNION**Mrs. I. A. Hallman**

The South Fork WMU has two new organizations: the associational Girls' Auxiliary, organized at Mount Ruhama Church, May 19; and the YWA Council, organized at Lincolnton First Church, April 24. Our annual WMU banquet was held in the Lincolnton High School cafeteria with Boger City ladies as hostesses. In spite of severe cold and hazardous weather we met with the First Church of Maiden for our creditation course. In March six of our ladies attended the Advance Leadership Course at Greensboro. This is the first year in which our associational officers took over in October following election in the spring.

Our spring or annual meeting was held at Antioch Church, April 21. The proceedings of this meeting will appear in the minutes of our district association, and of course the details of organizational achievements will appear in the statistical tables of the same publication.

All in all we have had a healthy year of mission activity with foreign missionaries speaking on several programs, and churches working with characteristic zeal for worthy achievements in mission education and financial support of all mission work.

Eighty-Fourth Annual Session

SOUTH FORK BAPTIST ASSOCIATION

October 11, 1962

THURSDAY MORNING

1. Indian Summer gave a helping hand to the entertaining churches for the 84th annual meetings of the South Fork Baptist Association making picnic style dinners ideal fellowship and driving diners into the shade.

2. The program opened promptly at ten o'clock with C. O. Pendley directing a song service. Mr. Pendley, newly elected minister of music for Lincoln Avenue Church, substituted for Douglas Ledford who was away in school for the day. Mrs. Pendley played the piano and Mrs. Mildred Drum, the organ.

3. The congregation stood while Haskell Sides read from Mark 16: 14-20 and led in prayer. Verse 15 of this passage included the theme for the two-day program — "Into All The World." The theme was displayed back of the pulpit and on the printed programs, the above design being the one used on the programs.

4. Chief registrar L. D. Hoyle reported 159 messengers and 68 visitors representing 37 churches and moved that these and others who would come later constitute the 84th annual session. With the passing of this motion moderator C. H. Greene proceeded with the order of the day as tentatively planned.

5. Visitors were recognized, announcements were made, and new pastors were presented by vice moderator Haskell Sides. He extended the hand of welcome to L. P. Horne, R. E. Hicks, and Johnny Davis, the others being absent.

6. A. V. Ledford moved that the printed program prepared by the program committee be approved subject to such alterations as necessary. The program appears as originally prepared in the body of reports.

7. The clerk gave a brief explanation of the mimeographed digest of letters pointing out the increase in baptisms and gifts.

8. Being ahead of the program schedule and the guest speaker next on program not having arrived, opportunity was made for college representatives to speak. Tom McGraw who was a member of this body last year but now working with Gardner-Webb College brought warm greetings and reports from the college.

9. After congregational singing the Wingate College Choir, having robed and occupied the choir section, presented two numbers led by James Blackwelder with Miss Rebecca Hough at the piano.

10. H. A. (Bones) McKinney brought words from Wake Forest College before the report on Christian Education by Harding Caldwell after which C. E. Parker speaking for Ben Fisher brought greetings from all seven colleges.

11. Dr. C. R. Tucker of Wingate College brought the message on christian education substituting for the president, Dr. Budd Smith.

12. The college choir sang three numbers climaxed with Fred Warren's arrangement of the "Battle Hymn of the Republic" and brought the congregation to an exalted plane of worship.

13. Against this setting came the minister of the morning who was also our host pastor, Riley N. Huckaby. He read some verses from the second chapter of Galatians and used verse 21 as a text — "I do not frustrate the grace of God: for if righteousness came by the law, then Christ died in vain." His subject was "Frustration or Faith." It was an expository message and showed that if we are to prevent frustration and live by faith we must recognize the Christ who could say "I have been crucified, I am crucified, I will be crucified." He adapted the message to our current problems and therefore current opportunities for demonstration of FAITH.

14. In his benediction Eddie Reynolds asked blessings on the food about to be served.

THURSDAY AFTERNOON

15. A strong gale added to appetites already healthy enough but the tables were left still loaded with food prepared by Mount Ruhama ladies with characteristic "good taste." The congregation, slightly depleted gathered for a song service well on time.

16. Wray Barrett led the devotion reading from Romans 11:33-36 and leading in prayer. Attendance had climbed to 355 according to a report by L. D. Hoyle.

17. The 30,000 Movement report was moved to Friday.

18. E. W. Friday brought the report on American Bible Society after which an offering was taken.

19. Troy Liner who had the Hospital report was away in a revival it was explained. However, Dr. W. K. McGee, director of denominational relations for the hospital, was present as expected and brought a practical message which in reality was requested by the pastors. He had spoken to the pastors in conference some weeks before and the same message was repeated by request. After the message there was open discussion.

20. Vice Moderator Haskell Sides took the chair while C. H. Greene brought the report on the Executive Committee.

21. Marse Grant, Recorder editor, spoke on Christian Literature, the report by Miss Vinnie Cline to be made in writing later.

22. The Treasurer's Report by Mrs. Glenn Morrison and the report of the Budget Committee by Herbert Miller were made at this time.

23. After a hymn Herbert Miller made his report on Sunday School and introduced his guest speaker, Rev. W. F. Woodall of Gastonia, formerly pastor of Maiden First. Using Psalm 126 he emphasized evangelism as the business of Sunday School showing that this Psalm (1) has the ring of certainty, (2) gives the promise of joy, (3) and shows God's way of reaching people: Go, Sow, Show or Sob.

24. A stirring dedication service was held and we were dismissed by Johnny Davis.

THURSDAY EVENING

25. At seven o'clock the program opened with Douglas Ledford directing the song service, Mrs. Pendleton at the organ and Mrs. Josephine Hoyle at the piano.

26. For the devotional passage, Gaither Shrum used Psalm 72:2-19, and led in prayer.

27. World Missions was the first subject on the program. Written reports were submitted on Associational Missions, read by Roy Turbyfill, State Missions by L. P. Horne, Home Missions read by R. E. Hicks, Foreign Missions by Frank Taylor, and Woman's Missionary Union read by the clerk. O. J.

Hagler of Raleigh spoke on missions with emphasis on State Missions.

28. After singing a hymn it was announced that the total registration for the day was 454.

29. Darrell Saunders brought the report on Evangelism and Mr. Pendley brought another solo, "It's Real."

30. Dr. Carl Bates brought the closing message using some verses in the tenth chapter of Isaiah and spoke on "Confronting Crises with Christian Courage" hinging his message on three words — punishment, purpose, promise.

31. Darrell Saunders led the benediction prayer.

OCTOBER 12, 1962—FRIDAY MORNING

32. The Friday sessions were held in Center View Church, Douglas Ledford directing music with Mrs. Austin Josey at the piano and Arthur McGinnis at the organ. The program got off to a prompt start at 9:45.

33. I. Peter 2:1-12 was the passage used by James M. Newman for devotional reading. He led in prayer.

34. The first report was on Children's Homes by Bill Morrow and discussed by Vernon Sparrow of Thomasville.

35. W. A. Poole of Winston-Salem discussed Homes for Aging which was reported by C. B. Bobbitt.

36. In the discussion of his report on the Christian Action League W. L. Pitts revealed that motion pictures of nudes were being shown at an open air theater adjacent to Bethel Church. This matter was referred to the resolutions committee for appropriate expression of concern and sympathy for the Bethel Church.

37. Paul Drum, host pastor who was recuperating from serious surgery, led the memorial service.

38. D. Harding Caldwell reporting for the Activities Committee urged more deliberate support of the monthly workers conferences.

39. C. Gordon Maddrey of Ahoskie was given ten minutes to speak on the Baptist Foundation and his message was most enlightening.

Mr. Hicks led the benediction prayer.

61. The enrolment committee registered a total of 454 the first day, 244 the second day, and a total of 698 for the two days.

PROCEEDINGS
Fifty-Third Annual Session
W O M A N ' S M I S S I O N A R Y U N I O N
South Fork Baptist Association
April 9, 1962

The annual meeting of the South Fork Woman's Missionary Union was held April 9, 1962 at Hull's Grove Church, under the direction of the president, Mrs. Clyde A. Lawing.

The theme, "My Church Reaching Out," was depicted in an attractive display, partly prepared and entirely designed by Mrs. Lawing. The meeting was well planned to keep routine matters at a minimum, in order to enlarge on the inspirational.

Rev. Alvin A. Walker, associational missionary, opened the meeting at four o'clock, with an inspiring meditation, followed by prayer.

A skit, entitled "Home Fellowship Missions" was very ably presented by ladies of East Maiden Church, which gave emphasis to the theme.

Miss Kathryn Bullard of Raleigh, State Director of Woman's Missionary Society, brought a very timely message challenging W. M. S. members to make reading a "must" in their activities. She reported that only 43% of the women in our association read one book last year.

A delightful fellowship prevailed during the meal, which was served in the North Brook School Cafeteria by the ladies of the host church, who are to be commended for the very orderly manner in which they planned and served the most delicious meal.

The evening session opened at 7 o'clock with a "Call To Prayer" by Mrs. Herbert Miller, followed by special music brought by a trio from Lincolnton First Church.

Mrs. H. K. Middleton, missionary to Chile since 1950, brought the evening message, relating some inspiring and rewarding experiences while serving in Santiago, Chile.

New officers, whose names appear in the directory of the minutes of this publication, were installed and will assume their duties in October.

The nominating committee, proposed by the Executive Committee to report in 1963, are: Mrs. T. V. Morris, Chairman, Route 3, Lincolnton, Mrs. C. E. Parker and Mrs. David Jordon.

Maiden First Church will be hostess next year to the fifty-fourth annual session, to be held on a Friday in April at four-thirty o'clock in the afternoon, the exact date to be announced. This was changed from Monday and will be arranged in cooperation with other activities.

ACTIVITIES COMMITTEE

D. Harding Caldwell, Chairman

During the past few years our association has eliminated a great number of its meetings in favor of a monthly meeting which would alternate between the major organizations within the association. Since this is true it is the duty of the Activities Committee to work out a schedule concerning the place and the organization to be in charge each month. The chairman of this committee consulted with our Associational Missionary concerning the Monthly Workers Conferences. There was no meeting scheduled for January and February because of January Bible Study Week and the Central Training School. The October meeting was not included due to the annual meeting of the Association. The remaining months were designated as follows: March, June, August and December for the Training Union; May and September for the Sunday School; April, July, and November for the W. M. U. and the Brotherhood. The regular time for these meetings is on the second Monday night in each month unless otherwise specified in the Associational Calendar of Activities. Two of the meetings scheduled this year resulted in no meeting at all. If we are to continue these monthly meetings, I should like to encourage all of the churches to support these Monthly Workers Conferences and whenever possible avoid any conflict when planning your activities for the coming year.

AMERICAN BIBLE SOCIETY

Ernest W. Friday

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak. But in most countries people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking. The American Bible Society is an active partner of Southern Baptists. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the blind it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1961 the American Bible Society rejoiced that some part of the Bible has been published in 1181 languages; that it distributed a total of over 24 million Scripture volumes in over 100 countries on six continents; gave almost a million Scripture volumes for distribution by chaplains to our Armed Forces and Veterans' Hospitals; expanded its distribution to persons of special needs such as refugees, hurricane and flood victims, hospital patients, inmates of jails, migrant farm workers, and many others.

Because this Bible society serves mission work including that of the Southern Baptist Convention we find an impelling need to support the American Bible Society financially. Last year Southern Baptist churches gave \$164,342 to the society. In these troubled times it's a wonderful thing to be able to "share Christ with the Whole World" through His word, the Bible.

ASSOCIATIONAL MISSIONS

J. W. Crouse

Associational missions in the South Fork is reflected primarily in the work of our associational missionary and the cooperating churches. We submit here something of a summary of his work.

Alvin Walker, our missionary, was responsible for 68 sermons and talks, for teaching 40 Sunday School lessons, attending 68 meetings with little or no participation, conducting 16 radio services, projecting 6 filmstrips, teaching 4 five-day study courses, presenting four book reviews, assisting in 5 Vacation Bible Schools with commencements and helping in six preparation days, leading 20 VBS pupils to Christ, mailing 935 circular letters in 24 dispatches, distributing 7,218 bulletins (Posts) in 12 issues, participating in 1,249 personal or committee conferences, writing 153 pieces of first class mail, getting out 38 news releases on 13 stories, and traveling 8,481 miles to appointments apart from unrecorded mileage of innumerable incidental trips.

He helped to prepare for the training-planning clinic at Gainsville Church, the GA associational meetings at Boger City and Maiden First churches, the evangelistic clinic at Lincoln Avenue, the association wide teacher-training clinics at Lincolnton First and Boger City churches, and the annual WMU meeting at Hull's Grove. He attended the Region 8 TU program-planning dinner at Hickory, the associational missionary workshop at High Point, the State Convention at Greensboro, the state VBS clinic at Wingate, the state evangelistic conference at Greensboro, an annuity board conference at Gardner-Webb, a supper meeting of the WMU executive committee, an education advance meeting and the regional Brotherhood at Hickory, a Mars Hill fund-raising meeting, the hospital telephone workshop at Hickory. He was associational clerk and edited the minutes, a faculty member of the Seminary Extension Center, helped with the WMU banquet at Lincolnton, participated in the "M" Night program, was speaker at Charlotte for a pastors' conference, said grace for a Gardner-Webb supper meeting, prepared and led a VBS clinic at Maiden First with 241 present from 30 churches, speaker once at our own pastors' conference, led Region 8 TU convention at Shelby and was re-elected president, preached in one revival, and served as clerk for one ordination council.

We have three churches sponsoring separate missions, Macedonia, Olivet, and Cedar Grove.

AUDITOR

W. R. Abernathy

I have checked the books and accounts of the Treasurer, Mrs. Glenn Morrison, and find them correct and in good order. Mrs. Morrison is to be commended for the fine work she has done.

BROTHERHOOD

John P. McLeod

Admitting that hoped-for progress this year in Brotherhood work has not materialized, some ground work with the new set-up in the organization has been done which should make the new year more successful. With the assistance and literature now available to the association and the churches much progress can be accomplished.

Last April a meeting of the Associational Brotherhood was held at Hull's Grove Baptist Church. The meeting's main objective was more Brotherhoods in the association.

An Associational Brotherhood meeting was held May 1 at Leonard's Fork Church. There were 27 present with 8 churches represented. Emphasis during the meeting was: "Enlisting men in purposeful church centered activities."

Our association was well represented at the Regional Brotherhood Conference at Viewmont Church in Hickory, May 8. The theme for this meeting was "Men and Missions."

On September 6 an officers' clinic for Associational Brotherhood was conducted at East Maiden Church. The main purpose was training and planning for the new year in the four areas of our work: World Missions, Royal Ambassadors, Christian Witnessing, and Personal Stewardship.

There is a place for a Brotherhood in each of our churches. There is a great need and a challenging opportunity for our men to become the example to whom our boys look with admiration, and from whom they seek guidance to manhood. The best way to meet this need and use this opportunity in developing dedicated church men of tomorrow is through Royal Ambassador work with our boys today.

CHRISTIAN LITERATURE

Vinnie Cline

Christian Literature is a very inclusive term. It includes more than simply what is put out by religious presses. With the utmost respect for all good publications let us confine this report to the Biblical Recorder and church libraries.

There are about ten churches in the South Fork Association that include the Recorder in the budget. Of course we imagine that the Recorder goes into every church for it goes free to every pastor and surely there are members in every church who subscribe individually. It can be had for \$2.50 a year if as many as four or five form a club. And if it is sent to every family in the resident membership of the church it costs only \$2.00 per family paid of course from the church treasury. It is the clearing house for all our Baptist news and provides many excellent editorials. No Baptist family can keep abreast of Baptist endeavors without it.

Church libraries embrace all Christian literature. Every church needs a library with carefully chosen books, periodicals, and teaching equipment. Children and adults read, some more than others, but all literate people read. Reading is more than brain food, it is soul food. What kind of food do our churches provide? Christian books and periodicals should be as commonplace in the home as newspapers. May we place a stronger emphasis on Christian literature in both the home and the church.

CHILDREN'S HOMES

Bill Morrow

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. No task is more important than helping a child grow into healthy, well-adjusted, responsible citizenship.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room was available. Provisions

should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one-third of the budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase through the Thanksgiving Offering this year to provide a Christian home and care for an additional 125 children.

If we give to our Children's Homes we enable hundreds of boys and girls to have opportunities and privileges which they otherwise would not have.

CHRISTIAN ACTION LEAGUE

W. L. Pitts

No issue in America today is of more importance than that of Public Morals and Temperance. Unfortunately, there is apparently little real concern about the immorality and drunkenness, the crime and delinquency, which are so prevalent. Much of the fault must be laid at our doors. There are several specific areas where we can work to reverse the trend.

Obedience to the law of the land. Ours is a government of laws, not people. Many good people joke about the law, and those who seek to enforce the law. It is common practice to obey the laws we like, and disregard those which destroy the whole foundation of government.

Encouragement of those who make and enforce the laws. Much harm is done by careless criticism of officers and legislators. Theirs is a thankless task, at best. They need the prayers and encouragement of good people.

We must teach our children to respect and uphold the law, and to respect and support those who make and enforce the laws. That teaching must be not only by precept, but by example and spirit.

We must proclaim and demonstrate the purity of life and thought which our Lord Jesus Christ taught. We must seek by every means at our disposal to rid our land of these influences which would destroy. There is no place in the Christian home for filthy literature, alcoholic beverages, or any other evil. We must teach our children to love the good and hate the evil.

We should support organizations such as the Christian Action League with our money, influence, and energy. The Christian Action League has been a bless-

ing to our counties in fighting alcoholic beverages and Sunday racing. Only as good people join together in a united front can we exert the power for good of which we are capable. Public Morality is everybody's business.

CHRISTIAN EDUCATION

D. Harding Caldwell

North Carolina Baptist colleges closed another record-breaking academic year (1961-62). All seven opened in the fall of 1961 with their largest enrolments. The total enrolment was 8,447. Of this number, approximately two-thirds were members of Baptist churches. About one out of eight was preparing for the ministry or some church-related vocation.

Physical improvements and additions have been made on each campus. The total plant assets of these colleges are in excess of \$45,000,000. The total operating budget of the seven colleges during the year was about \$12,000,000. Of this amount, the Cooperation Program paid about 5%.

The past year has also seen a strengthening of faculties.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year. By 1964 both will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of study.

The Convention is in its first year of the Christian Education Advance Program. In order to meet our goals set forth last year, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The future of Christian Education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian Education. A Christ-oriented education must always be provided by the church.

Let's support our colleges by:

- (1) Acquainting ourselves with them.
- (2) Encouraging our boys and girls to attend.
- (3) Praying for the schools - the presidents, administration, faculty, trustees, and students.
- (4) Increasing our Cooperative Program giving 35% this year.
- (5) Observing the Christian Education Day, Father's Day - in June.

CHURCH EXTENSION AND THE 30,000 MOVEMENT

C. E. Parker

After careful study of church extension and the 30,000 Movement in our association, it is our opinion that instead of starting more missions and organizing more churches, we should help some of the weaker churches in the association.

In one area of our association there are five Baptist churches in a five-mile radius. The average membership of these churches is just a little more than one-hundred. The forty-five churches in our association are located sufficiently to take care of the population of each community. Lincoln County is one of the few counties where population did not increase over the past ten years.

Therefore, we recommend that the missions committee of our association be asked to work with the associational missionary to study this situation and report to the executive committee any needs in this area and such ways and means that we may consider to encourage these churches.

We further recommend that the churches now making application for membership in the association be asked to wait another year in order that they may get more help with their reports.

EXECUTIVE COMMITTEE

C. H. Greene

The Executive Committee held four meetings in four churches during the past year. Reports were heard from committees and department heads concerning the work of the Association. Average attendance was 24, and average number of churches represented was 17.

Attention is called to the responsibilities of the Executive Committee in guiding the work of the Association and transacting business between annual sessions.

Our churches are urged to be diligent in their representation at the meetings.

RECOMMENDATIONS:

A. The Executive Committee recommends that the Seminary Extension Committee be made a standing committee of the South Fork Association.

B. That the three members of this committee be provided for at the 1962 annual meeting.

C. That the Seminary Extension Center be made an annual affair.

EVANGELISM

William D. Saunders

Evangelism can be defined as the preaching of the gospel of Christ to all mankind with the avowed purpose of leading men to accept the Christ of this gospel as Lord and Saviour.

With this definition in mind we respectfully urge at least two things. First, the recipients of the gospel include ALL men. The field indeed is the world and God intends that every man in it be evangelized regardless of race, creed, or color.

Secondly, we must understand that the responsibility for preaching the gospel of Christ rests with every individual Christian. Every one of us, preacher or layman, is commissioned to "go . . . and make disciples of all nations." This is a personal commission, but we will not do much about it until we dedicate our lives and our all to carrying it out.

That we have not so completely dedicated ourselves is evident from our tentative report on baptisms. In the year just passed we baptized but 435 in South Fork Association. This is, it is true, an increase of 57 over last year but still far below what it should be. By dividing our baptisms into our resident membership we find it took 18 South Fork Baptists one year to win one person to Christ. Although this ratio is better than last year's, and is even better than the state average, we could not say it reflects the kind of deep and vital concern God expects.

Our closing speaker of this afternoon's session, Rev. W. F. Woodall, suggested three steps in reaching people for Christ: (1) Going where the lost are, (2) Sowing the seed of the gospel, (3) Weeping over the souls of men. Let us endeavor to so dedicate ourselves to Christ and His cause during the coming year that we will, indeed, be concerned enough to weep over the souls of lost men.

FOREIGN MISSIONS REPORT

Frank Taylor

The year 1961 closed with 1,548 missionaries under appointment for service in 47 countries. Recent releases from the Foreign Mission Board reveal that 31 new missionaries have been appointed this year and four other countries are now being served by Southern Baptist missionaries. We now have 1,579 missionaries serving in 51 countries.

During the entire history of our Foreign Mission Board since its establishment in 1845, a total of 2,820 missionaries have been appointed. More than half of these appointees are still serving today. In addition to the present 1,579, there are 183 emeritus missionaries who by their prayers and testimonies reinforce the world task.

The two major channels of support to sustain our world missions are the Co-operative Program and the Lottie Moon Christmas Offering. Total gifts derived from both of these sources in 1961 amounted to \$17,935,615. This sum is only 3½ per cent of the total gifts of Southern Baptists. It represents \$1.80 per year per Southern Baptist for Foreign Missions. There remains at the present time more than \$3,000,000.00 in unmet urgent needs on the Mission Fields.

The Lottie Moon Offering goal for 1962 has been set at \$10,700,000.00. This financial need of Southern Baptists as well as the spiritual needs of the world can be met only as we do our fair share with our prayers and gifts.

HISTORY

Mrs. Harmon James

The following historical data was taken from South Fork letters for the year ending August 31, 1962.

Boger City completed a new pastorium which was occupied by the pastor and his family the first of January. E. M. James was called as pastor of Cedar Grove Church on July 29 and Pine Hill Rest Home at Newton became a Sunday School teaching mission as part of the 30,000 Movement. Elm Grove purchased grounds for a new church building. Leonard's Fork acquired an acre of land for parking and a cemetery. They also remodeled the interior of the church, built a baptistry, and added 2,000 feet of space. Lincoln Avenue finished her education annex valued at some \$75,000 with 10,000 feet of floor in a hull 50 by 100 feet.

Long Shoals called Leonard P. Horne as pastor February 18. This is his second pastorate at Long Shoals. Macedonia built a pastorium and East Maiden launched the building of a new church. Richard E. Hicks was called to the pastorate of Maiden First November 1, and Mathis Chapel started a new sanctuary. Mount Ruhama was recognized as the Rural Church of 1961 by the Grange of North Carolina. Mount Zion elected a financial secretary and completed a fellowship hall 30 by 60 feet. Mountain View built an annex 25 by 37 feet, renovated the sanctuary, added a baptistry and rest rooms. River View purchased the old Laboratory School property for a future church site. Westside at Maiden erected a new pastorium and sold the old one. Olivet set up a teaching mission in a nearby rest home.

Other association-wide activities worthy of note and perhaps not reported elsewhere are: a carol-sing held at Lincoln County court house in December, a Seminary Extension Center held at Boger City directed by Wade McKnight with an enrolment of 26 and with 21 awards earned. Teachers were Herbert Miller, D. Harding Caldwell, and Alvin Walker. A hymn festival, perhaps our first, was held at Lincoln Avenue June 24.

HOME MISSIONS

Wade A. McKnight

According to the last official report, the Home Mission Board is promoting and co-operating in mission work in every state of the Union. The Board had at the close of 1961, 1975 missionaries under appointment. In addition to these, they had 676 students which served in the Summer Mission Program.

From the Co-operative Program, the Annie Armstrong offering, and other sources the Board received over six million dollars in support during 1961. This

sounds like a tremendous amount of money, and it is, but for the amount of work being done and the challenge that is ours in this great country it is a small amount in proportion to the resources that are ours. During 1962 the Board's plans are to establish 2,000 new churches and 4,000 new missions. This is in keeping with the Jubilee theme, "Church extension year," and the Board's 117 year history. For during these 117 years of service more than one-third of all the churches in the Southern Baptist Convention were established by the Home Mission Board.

In 1961 the Home Mission Board co-operated in 161 Schools of Missions, using 600 Home missionaries and 900 weeks of mission service to reach 3,150 Baptist churches and over one and one-third million people with the message of missions.

The major emphasis of the Board is in pioneer missions. Next year the emphasis will be on Language groups. There are twenty million people in the foreign language groups served by the Board. Ninety per cent of these people are lost. Five million dollars are needed now for building churches and missions among these language groups.

So, now in the turbulent days of national disturbance, world-wide upheaval, and space exploration let us give ourselves in support of the Home Mission Board's work that our home-land might become Christian.

HOMES FOR THE AGING

Clarence Bobbitt

Since last year a new home for the aging has been opened, the Hamilton Home, located in Eastern North Carolina. At present we have four homes for the aging. These homes are: Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home at Albemarle, and the Hamilton Home at Hamilton.

Over the past eleven years we have increased by eight times our ability to minister to the aging in our midst. We started with 20 residents, and now we are able to give loving care to 160 persons in the four homes.

The need for more space is growing and most urgent. Today there are 138 applicants on the waiting list. The growing population of older people is increasing each day. Let us help to meet this urgent crying need while we have time and opportunity.

The Special Day Offerings are at a record high, but the demand is far greater. We thank our Heavenly Father for all the gifts through our churches, and for all the prayers in behalf of the residents of these homes.

Let us give and continue to give more and more, until not only the 138 applicants now will have a home, but all those in the future will find a Haven of Rest in one of our Baptist Homes.

RESOLUTIONS

W. W. Abernathy

No. 1. Whereas the South Fork Baptist Association meets in its 84th annual session with the Mount Ruhama and Center View churches, be it resolved:

That we express to these churches our most sincere gratitude for their kind hospitality and bountiful provisions for these services.

That we also express our many thanks to the program committee for the good program they have provided; and to our moderator for his fine services; and to all who had a part in carrying through these services of such high order to the blessing of all hearts and to the glory of our God.

That we express to our field worker our appreciation for the good work he is doing in our midst.

Let it further be resolved that we pledge anew our devotion and cooperation in our homes, our churches and their organizations, to give more fully of our time and means in carrying out our Lord's commandments and commission in full keeping with our church covenant in its entirety.

No. 2. In view of the sad racial situation facing us today with extreme tensions and prejudices, and the temptation to leave God out of our thinking and feeling, be it resolved: That this body urge the people of our several churches to be mindful of Christ in every consideration, patient in our practices, and determined to exalt the cause of peace and good will above any selfish interest to the end that we bring honor and glory to our Lord and build His kingdom in all the world as well as in our own localities.

No. 3 Be it resolved that this association extend to pastor W. L. Pitts and the Bethel Church our sympathies in the problem posed by the drive-in theater with exposed and indecent pictures facing his church; that we assure him of our sincere prayers in this matter; and that we offer him our cooperation and support in his efforts to overcome this problem.

STATE MISSIONS

Leonard P. Horne

What is State Missions? What areas of work does it cover? Why has it been called the lifeline of Baptist growth in the State? What are some objectives of State Missions? State Missions include 17 ministries, all of them under the direction of the Division of Missions. These areas of work are promoted and supervised by Missions Director E. Lowell Spivey. Schools of Missions reached 200,000 people last year. During World Missions Year in 1963 ten weeks of schools will be conducted. The 30,000 Movement has resulted in the establishment of 556 new missions and churches in the State. The goal of 120 for 1962 was more than half reached in six months.

The Cherokee Indian Work reached many of the 4,200 people on the reservation. There are two workers and 17 churches, 16 of these churches greatly need developing. There are approximately 5,000 deaf people in the State and this ministry seeks to enlist them for Christ and Christian development. Extension Centers reach 480. Fruitland has 170 men enrolled for 24 weeks of training under a faculty of eight. The Inter-Racial Cooperation Ministry promotes conferences on human relations, evangelism and stewardship, maintains training institutes for lay leadership, youth camps and retreats, and deacons' schools.

Church Development promotes community, associational and regional surveys, also church achievement programs. Four large military areas are part of State Missions. In 69 associations 66 missionaries are serving. Fifty-seven associations receive financial assistance. This year 161 missions and churches will be aided through pastoral assistance, new church lots, and church loans.

SUNDAY SCHOOL

Herbert P. Miller

For a large percentage of Baptist church membership Christian education is confined to Sunday school. It is, therefore, imperative that this phase of our work be strengthened. We must not only reach more people for Bible study, but we must train our voluntary workers to do a better job for those who have been reached.

It is for the purpose of helping the local church that the Sunday school associational organization exists. It can't do everything, but it can do something. It should be doing a great deal more than it is doing and, with your cooperation, it will do more. That is the aim of the officers you have elected.

Three associational Sunday school meetings were held during the year. Action Night was observed September 11 with more than 200 present. The Reverend Boyce Earnhardt, nominee for associational Sunday school superintendent, was recognized and he presented the goals for the new year. Reports from the churches show that there were 42 church Vacation Bible Schools and one mission school

held during the year. A central Bible Teaching clinic was held at Lincolnton First church with over 200 awards earned by the participating churches. There were 25 churches observing January Bible Study Week.

We respectfully make the following recommendations:

1. That the Sunday school leadership of each church in our association be urged to determine to gain a minimum of 5 per cent in enrolment and 10 per cent in attendance.
2. That each church be urged to observe January Bible Study and Preparation Week.
3. That the Associational Sunday School Leadership provide for a Central Sunday School Training School securing the best leadership available.

TRAINING UNION

Ryan Shelton

The events for the 1961-1962 year were as follows: "M" Night, Youth Night, local training schools, summer assemblies, tournaments, election of officers. Our first meeting for the year was held at South Side Baptist Church for the making of plans for "M" Night. "M" Night was held at Mt. Ruhama Baptist Church with approximately 875 present. This was the largest attendance since the association was divided. Our speaker was the Rev. Hubert Mumford, Field Worker for the Yates Association. The music was under the direction of Emmett Turbyfill.

Our Youth Night was held at the First Baptist Church of Lincolnton under the leadership of J. C. Beal, our Young People's Director. This meeting was a success, because of the good attendance and the enthusiasm of our workers in putting over this meeting.

I would like to say that we may not have experienced too much growth, but I think some of our churches had some of the best sound, spiritual work done in their Training Unions this year. I know that at our last associational meeting at Olivet Baptist Church, our Intermediates and Young People were the ones who gave the program and were the ones who made up a majority of the congregation.

Reports show that we now have 33 churches with Training Unions. The one new Training Union is Calvary of Newton. We have 3,346 enrolled which is an increase of 88 over the past year.

In closing I would like to thank the officers of the Training Union of our association, the directors, pastors, for the support they have given me this year.

WOMAN'S MISSIONARY UNION

Mrs. Clyde A. Lawing

The 75th anniversary of Woman's Missionary Union this year has been a challenge to all fields of endeavor. The most significant was the 75 Days of Prayer, days to draw ourselves apart from the thoughts and perplexities of our lives and pray, prayer for all phases of WMU work, especially Church Extension and World Missions.

Never in the history of WMU have such complete efforts been made to acquaint ourselves to World Awareness through books, missionary speakers, and program participations. A feeling of overall personal responsibility has been demonstrated in our institutes of leadership instruction.

The Youth organizations are overflowing our houseparties and camps. Sunbeam Bands have sprung up all over the association as wells of water to keep missions alive in a dry thirsty world in need of a Saviour.

Our annual spring meeting was held in Hull's Grove Church, April 9, 1962. "My Church Reaching Out" was the theme. In addition to the business at hand we enjoyed a most delightful fellowship.

This is also the fiftieth anniversary of Girls' Auxiliary. Their praying, preparing, presenting, planning, and performing have brought interesting results into the lives of these girls and revealed channels of blessing to others.

The ladies of WMU have through training, witnessing, sharing, studying, doing and believing, shown a zeal to be laborers together with God, that the world through Him might be saved.

Rev. Plato Albert Hicks
to whom this volume of minutes is dedicated
by order of the association

Plato Albert Hicks was born in Burke County, August 3, 1892, son of Joseph Martin Hicks and Mary Jo Denton Hicks. In 1912 he felt the call to preach and surrendered to the will of the Lord. He attended Wake Forest College where he took his A.B. degree, and he did two years of work at the Southern Seminary, Louisville, Ky., where he took a graduate degree.

His first pastorate was at Hildebran near Hickory. He served next at Western Avenue Church in Statesville for four years. He was pastor of the First Church, Boone, for seven years. For twelve years he was pastor of East Belmont Church. His last pastorate was on a field of two churches in the Gaston Association, Mount Zion and Shady Grove churches. When he retired in 1957, he moved to Lincoln County and put his membership in the Southside Church, Lincolnton.

It was here he proved the real mettle of his ministerial character. Serving outside the pulpit where he had become accustomed to serve somewhat as the central figure, he became a layman after his pastor's heart. Eddie Reynolds, his pastor, said he learned to lean on his counsel and support not as a layman, but as a special layman.

His thoroughness, mild manner, genuine concern, and scholarly approach to all problems won for him a wide range of friends, and made him a most valuable servant in the vineyard of the Lord, regardless of what order the service.

He retired permanently from every earthly ministry February 13, 1963 to accept a place in his eternal home to serve in the presence of the Lord he had so admirably served in the lowly paths of this earth.

Eighty-fifth Annual Session

SOUTH FORK BAPTIST ASSOCIATION

OCTOBER 10 1963

Thursday Morning

1. Hurricane "Flora" had turned out to sea after breaking all recorded history with devastation in Haite and Cuba and summer-like weather prevailed October 19, 1963 at East Maiden where the eighty-fifth annual session of the association was convening. The music program began a little before

the ten o'clock hour because of the large gathering. Rev. C. H. Greene was in the chair and C. O. Pendley was directing music. At the piano was Mrs. Pendley.

2. The host pastor, Frank C. Taylor, brought words of welcome and made appropriate announcements.

3. Kenneth Faulkenbury read from Philippians 2:1-16 and led in prayer.

4. Blair Wilkinson, in charge of enrolment, announced a registration of some 200 with others coming, so the session got officially under way.

5. Wray Barrett, secretary of the Pastors' Conference, introduced the new pastors, asking each to say something of former residence. Those present were Kenneth Faulkenbury, Cecil Ballard, Eugene Elmore, Fred Thompson, C. W. Boatwright, and Robert R. Helton. William Wease was away in school, and Johnnie Perry did not attend that morning.

6. The Moderator invited all pastors to come to the choir section to make room for others waiting to get seats.

7. Reporting for the program committee, Guy Longshore moved that the circulated printed program be adopted with such changes as occasion may demand, and the motion carried.

8. The digest of letters was reviewed by Alvin Walker who pointed out some rather discouraging figures and a few that were encouraging.

9. At this time the printed program was altered and W. L. Pitts reported for the church extension committee recommending that West Lincolnton Church be received into full fellowship. Pastor J. W. Blanton and messengers from this church came to the front to receive a welcome and greetings from the moderator. They were seated as messengers.

10. With Harding Caldwell in the chair, C. H. Greene reported for the Executive Committee and recommended the scholarship commission which was incorporated in the book of reports to be adopted later.

11. Continuing on the same subject, Greene moved that the constitution be changed to include the trustees for the commission and to distinguish between these trustees and the trustees of former service. The motion had to wait until the next day for action. Changes later adopted appear in the revised constitution as published in this volume.

12. With Greene again in the chair, Caldwell who was presenting the book of reports moved the adoption of all reports and others later to be submitted except where recommendations required action after discussion.

13. Having spare time, further discussions on the scholarship commission revealed that the scholarship could be used in attending any school, also that in cases of dire need, grants could be made, otherwise the loan was to be repaid one year after graduation, or at least installments begun, with interest to be determined by commission trustees.

14. The recommendation in the auditor's report concerning collection of interest is covered in the scholarship commission proposal, it was pointed out, and needed no action.

15. Rev. Albert Young of Hickory spoke on the Baptist Foundation.

16. The report of Eddie Reynolds for the activities committee was given special consideration and the recommendations were approved. They appear in the report section.

17. The report of the committee on committees by Herbert Miller was approved with the provision that the committee replace two names that were withdrawn.

18. The Lincoln Avenue quartet sang, "Love Is Why."

19. The scripture passage for the annual sermon was read by Frank Taylor, who requested his alternate to bring the annual sermon. He read I Corinthians 1:18-31 and led in prayer.

20. The annual sermon was brought by Richard Hicks, pastor of the First Church, Maiden. His subject was "This

Strange and Unfamiliar Gospel." Concerning this gospel he said (a) It comes as a conflict, not merely ancient history. (b) It comes as a Demand, not as a succor. (c) It comes not only as a Refuge, but as that which Provokes Creative Response.

21. Kenneth Pittman led the benediction and expressed thanks for the noon meal.

Thursday Afternoon

22. A delightful fellowship about tables packed with a wide variety of tempting tasty food was broken up by the sound of a bell calling "lazy" diners back to the sanctuary for a program that began at 1:20.

23. After an invigorating song service and a solo by Mr. Pendley, Enos James read I John 1:1-10 and led in prayer.

24. Darrell Saunders made an appeal for all to participate in the Baptist Jubilee Revivals, March 8-22, 1964.

25. Bill Morrow made announcements about the Seminary Extension Center.

26. Dr. Richard Barnett of Wake Forest College discussed the proposals being made by the college and defended them.

27. G. Troy Liner introduced A. H. Fields of Hickory who spoke about the Baptist Hospital of which he is a trustee.

28. Guy Longshore presented C. W. Bazemore of Raleigh who spoke on Christian Literature. He stated that about half of our South Fork homes receive the **Biblical Recorder** on whose staff he serves.

29. The doctrinal message was brought by Rev. M. O. Owens of Gastonia. He spoke specifically in opposition to the Wake Forest proposals expressing what he called "personal convictions or concepts." His message and that of Dr. Barnett were of the highest order and in an exemplary spirit.

30. The benediction was led by James Newman.

Thursday Evening

31. The Gardner-Webb College choir did not attend in

body as expected, but a quartet and pianist represented them. They were engaged in revival services at the campus contrary to original plans. There was also a misunderstanding as to the hour they were to appear. The meeting began early to allow time for them to sing several numbers, but they arrived later than the schedule indicated. There was some delay in the program at the start, but the program got under way after a time.

32. Floyd Kirksey had the devotional period and read from Proverbs 1:1-7 after which he led in prayer.

33. An offering was taken for the American Bible Society after some remarks by Wray Barrett who directed the offertory service.

34. R. E. Hicks expressed interest in holding a one-day session rather than a two-day session of the association. He asked that the constitution committee study such possibilities and such changes as it would require in the constitution. He also served notice that he plans to move on the first day of next year's meeting a motion dealing with this matter, and asked that we give consideration to the matter in the year before us that we might act wisely on the subject.

35. Boyce Earnhardt reported on Sunday School progress and plans.

36. C. O. Pendley reported on tentative music plans. He filled out the term of Douglas Ledford for this year.

37. The college quartet was presented by Dr. Poston, college president, who told something of the church-related occupations to which each member aspired, and the witness they were giving on the campus. They sang two numbers.

38. Dr. Eugene Poston was the speaker of the evening, speaking on Christian Education. He was introduced by Fred Thompson. His message was warmly received.

39. The quartet again sang two numbers.

40. The host pastor, Frank Taylor, was called on to pronounce the benediction.

October 11, 1963 — Friday Morning

41. The Friday session was held at Mount Anderson Church and the program began promptly at 9:45 with a song service, Mr. and Mrs. Pendley again working together to lead the music. Mr. Pendley sang "Take Your Burden to the Lord."

42. Luke 4:16-23; 28-32 was the Scripture read by Haskell Sides who also led in prayer.

43. The host pastor, D. Harding Caldwell, expressed the pleasure of Mount Anderson Church to be host and made explanations about highway hazards, use of house and grounds, and the noon meal.

44. The work of the Children's Homes was discussed by Dr. W. R. Wagoner of Thomasville. He was introduced by Eddie Reynolds.

45. A memorial service was held with A. R. Waters in charge.

46. On motion by Eddie Reynolds it was voted unanimously that the minutes be dedicated to the memory of P. A. Hicks, retired pastor who was a member of Southside Church when he passed away.

47. Leonard Horne presented W. A. Poole of Winston-Salem who discussed the work of Baptist Homes, or the Homes for the Aging.

48. Darrell Saunders presented one of our new pastors, Eugene Elmore, who brought the message on evangelism. He used Luke 24:46-49, the Great Commission, and several other passages as background Scriptures.

49. World Missions was discussed by Tom Greene of Raleigh and he was introduced by Wade McKnight.

50. The benediction and grace was said by W. W. Abernathy.

Friday Afternoon

51. The bounty of good food at the noon hour was exceed-

ed only by the graciousness and hospitality of the Mount Anderson people from tables taxed for space. After this repass a hearty song service was a "must" to prevent drowsiness. Mr. and Mrs. Pendley were equal to the occasion.

52. E. W. Friday read the favorite passage of many when he read from John 15:1-13. He led in prayer.

53. At this time the motion for change in the constitution was passed.

54. D. Harding Caldwell reported for his committee—Olivet Church as meeting place in 1964 the first day, Leonard's Fork Church, the second day, and Hull's Grove Church as an alternate. He named Fred Thompson as the choice of the committee for preacher of the annual sermon, and R. W. Morrow as alternate. The report was approved.

55. The resolution committee report by Bill Morrow was approved and appears in the body of reports.

56. The nominating committee report was approved and officers elected appear in the directory. There were no nominations from the floor.

57. On motion by Bill Morrow the association gave a standing vote of appreciation for the work of Moderator Greene who in turn expressed appreciation to the clerk for his assistance. Mr. Greene also commented on the general expression of visitors concerning the fine fellowship of the association.

58. W. L. Pitts called for an expression concerning the effort of some leading citizens in Lincolnton to force a liquor referendum on the city. The resolutions committee was excused to drafted a resolution and report it before adjournment. (retiring after the election of officers).

59. The election of a moderator, vice-moderator, clerk, and treasurer was held by nominations from the floor. The results appear in the head of the directory.

60. Gaither Shrum was called on to present the cause of Christian Action League and direct the taking of an offering at this time.

61. A very forceful message on stewardship was brought by A. V. Ledford with most impressive testimonies.

62. At this point the new officers were installed by the retiring moderator. The new moderator, Harding Caldwell, responded with very appropriate words portraying humility, pride, and dedication.

63. The resolutions committee returned and Bill Morrow chairman, reported the draft that had been prepared. This was heartily approved and Mr. Morrow was asked to include it along with other resolutions for publication in the minutes. Also a copy was to be presented as soon as possible to the Lincolnton mayor.

64. The eighty-fifth associational meeting adjourned with prayer led by W. L. Pitts.

65. The theme of the program was "For Liberty and Light." The theme display was reproduced and appears at the head of these proceedings.

66. This is the first time the association has met in the ten-year-old Mount Anderson Church. It met with the East Maiden Church in 1959, but this is the first time it has met in their new edifice which is less than a year old.

67. The liquor referendum resolution will not appear in the body of reports as it was never signed by pastors or others than the committee. It was probably presented before full signatures were made, but the city council rushing action in order to present a request to a called meeting of the state bodies who were acting on "redistricting," got the "jump" so to speak and while it is believed the resolutions had weight it was not possible to consummate action started. Incidentally, the referendum was not approved.

68. Registration for the first day was 366, for the second day it was 230, making a total of 596.

P R O C E E D I N G S**Fifty-fourth Annual Session****W O M A N ' S M I S S I O N A R Y U N I O N****South Fork Baptist Association****April 19, 1963**

The Fifty-fourth annual session of the South Fork Baptist Associational Woman's Missionary Union was held April 19, 1963 at the First Baptist Church of Maiden with Mrs. Clyde A. Lawing presiding.

Eighty-two women from seventeen churches registered for the meeting.

Ray Von Caldwell, minister of music for the host church, led the singing. The organ and piano were played by Miss Judy Friday, official pianist, and Mrs. C. J. Honeycutt, host organist.

Rev. C. L. Godwin of Cullowhee, missionary to Ghana, brought an inspiring and challenging message concluding the afternoon session.

The evening meal was served in the fellowship hall by ladies of the host church. Covered dishes were brought by those attending, which were attractively arranged and served with tea and coffee provided by the First Church.

A highlight of the evening session was the dramatic presentation of "Yesterday's Woman," with various periods depicted in frames by living models wearing clothes to accentuate the period described. Mrs. C. E. Parker was narrator and Miss Susie Rhyne served as reader.

Girls' Auxiliary groups were recognized and were led by Mr. Caldwell in singing their Anniversary Song.

Leaders who had received accreditation cards were honored.

A committee was appointed to study the problem of attendance and bring any recommendations to the meeting next year. The committee members are Mrs. Clyde Walker, chairman, Mrs. Walter Abernathy and Mrs. Dewey Auton.

The Mount Zion Society will be host to the meeting next year.

The nominating committee for 1964 will come from the Executive Board: Mesdames G. W. Cline, Lester Little, Wade McKnight, Eddie Reynolds, and James Touhy.

Mrs. C. E. Parker acting for the nominating committee whose chairman, Mrs. T. V. Morris, was in the hospital, presented the slate of officers for the year beginning in October. These officers were elected and their names appear in the directory of the 1963 associational minutes.

The installation prayer and benediction was led by Rev. C. H. Greene, moderator of South Fork Baptist Association.

WRITTEN REPORTS

The following are written reports for use in this publication. Some have been shortened to comply with the 300 word limit required by our constitution. All have been properly approved.

ACTIVITIES COMMITTEE

Eddie Reynolds

The activities committee makes the following recommendations to the Association concerning our monthly meetings:

1. That during 1964 we have twelve meetings, one each month, and that supper be served at six of these meetings.
2. That these meetings be planned in advance by the Activities Committee, the Moderator, and the Promotional Director. And that this group be responsible for the promotion of these meetings.
3. That these meetings will not be confined to our Sunday School, Training Union, Brotherhood, and WMU work, but that they consist also of Evangelism, Stewardship, or whatever our committee might deem wise.
4. That our monthly pastors' conference be held in connection with these meetings.

AMERICAN BIBLE SOCIETY

Wray G. Barrett

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world. This is a task which calls for the widest possible distribution of the Scriptures. The American Bible Society is doing a tremendous job of sharing the Bible with the whole world.

During 1962 the American Bible Society—

—rejoiced that some part of the Bible has been published in 1202 languages; the full Bible in 228, a Testament in 285 more, a Gospel or other complete book in 689 more—but still faced the task of translating the Scriptures into another 1,000 or more languages.

—extended its work to 40 additional countries and provided almost two thirds of the year's total of nearly 50 million Scripture volumes distributed by all the Bible Societies of the world.

—gave almost a million Scripture volumes for distribution by chaplains to our armed forces and veteran hospitals. This is a vital link between the home churches and men in service.

—sought new ways for reaching people who have little or no acquaintance with the Bible. Among these new approaches is a program throughout Latin America in which Christian laymen are recruited and trained in evening courses, in the evangelistic distribution of the Scriptures in their own communities, under the direction of their own churches.

—continued to expand its distribution of Scriptures to person of special

needs in our own land.

Southern Baptists support the work because the Bible Society serves mission work, and Southern Baptist missionaries depend on the Society for Scriptures they need for their people. In 1962 Southern Baptist gifts amounted to \$158,206 to the American Bible Society. In these days of world tension it's a wonderful thing to be able to "share Christ with the Whole World" through His Word, the Bible.

ASSOCIATIONAL MISSIONS

Alvin A. Walker

A summary of associational missionary statistics is submitted to indicate something of the work of your superintendent of missions in this field. He preached 67 sermons, taught 39 Sunday School lessons, attended 48 meetings with little or no program participation, conducted 12 radio devotions, taught 4 five - day study courses, did one book review, worked in 5 Vacation Bible Schools with three commencement services, and held 7 preparation days, and in these schools he reported 24 conversions. He prepared and mailed 1,855 circulars in 27 dispatches, distributed 6,730 bulletins (Posts) which he edited and mailed in 11 issues, held 2,028 personal and committee conferences, released 20 news stories, and mailed 134 first-class pieces of mail. He showed filmstrips on 21 occasions, assisted in five deacon ordinations, and traveled 8,956 miles in keeping appointments.

He assisted in the ordination of 4 ministers, assisted in the program planning meeting of the associational department officers at East Maiden, served as clerk of the association, attended 8 state-wide meetings and took part in two of them, helped with the WMU banquet, assisted with "M" Night. He was secretary to the Seminary Extension Center, treasurer of the Central Bible Teaching School, assisted in two GA associational meetings and the annual WMU meeting, prepared and distributed most of 249 associational calendars of activities, and conducted a VBS Clinic with 226 attending from 30 churches. He assisted in the associational Training Union tournaments and presided over Region VIII Training Union Convention at Lincolnton First where he was re-elected president. He served twice as chaplain-of-the-week to the Lincolnton hospitals, making 169 calls.

We have three churches sponsoring separate missions, Macedonia, Olivet and Cedar Grove.

AUDITOR

W. R. Abernathy

This is to certify that I have checked the books and accounts of the treasurer, Mrs. Glenn Morrison, and have found them to be in order and in excellent condition.

The audit discloses that some of the interest due has not been received. I recommend that the trustees check into this, and at the same time, see that the notes are current and properly secured.

I also recommend that the treasurer be instructed to order printed checks for associational use.

BROTHERHOOD

John P. McLeod

Last fall there was much enthusiasm for Brotherhood and Royal Ambassador work. At the November Monthly Workers Conference held at Lincolnton Avenue Church, Gaither Shrum, associational Royal Ambassador leader, presented a challenge to the large number present. Organized athletic activities were conducted for the boys this summer. Some churches reorganized their Royal Ambassador chapters. Great interest and much work in Christian witnessing was evident in several churches.

Ray Buckner, Gaston Association Brotherhood president, brought a challenging message to a full house of men and boys February 18, 1963, at Boger City Church on "Being and Living the Christian." An associational officers training meeting was held March 28, 1963, at the Second Church, Shelby, led by Clyde Davis, State Brotherhood secretary. This was a much needed and long-awaited opportunity to provide training for associational Brotherhood and Royal Ambassador committees. The attendance was not as good as expected.

The State Brotherhood Department held a two-day briefing conference on Brotherhood and Royal Ambassador work September 20-23, 1963 at Camp CaRAway, Asheboro. This is the new 1000-acre Royal Ambassador camp site. It is very beautiful and is ideal for its purpose. A lake, dam, and some roads have been constructed. A deep well has been dug and a pump installed. Plans are to be ready for taking care of 1000 RA boys next summer. There is a great need for financial help in developing this camp whose facilities will be used not only for RA camping but also for other state-wide conferences and training meetings.

With the availability of adequate materials and training helps from the State Brotherhood Department, each church can be well supplied with the very best help.

CHRISTIAN LITERATURE

E. Guy Longshore, Jr.

As the "cold war" continues its battle for the capture of men's minds we are witnessing a flood of pornographic literature which has already created a disastrous undercurrent of criminal activities in politics, degradation of individual decency, and disappearance of conscience. Twenty-four hour daily printing presses produce this godless literature in order to imprison the hearts and minds of the young and old alike.

Meeting these evil influences with great force are the thousands of different types of Christian literature telling of Him who seeks to save the souls of men.

The Broadman Press, our convention instrument for Baptist literature, rolls from its assembly line millions of pieces of Christian literature each year. The Christian Life Commission, 161 Eighth Ave., N., Nashville 3, Tennessee, produces for distribution among Southern Baptists many tracts, booklets, and papers concerning the social aspect of the Christian Gospel. These booklets may be obtained for the asking.

With our state convention the two most influential Christian publications are the **BIBLICAL RECORDER** and **CHARITY AND CHILDREN**. The "Biblical Recorder" today is ministering to more than 80,000 subscribers and

offers to each church the EVERY FAMILY PLAN which sends the RECORD-ER to every family in the church for only four cents a week, per family. The CHARITY AND CHILDREN now publishes 55,000 copies per week. Its editorial voice comments without fear or apology and identifies itself with the ministry of child care. Five dollars per week will bring into your church 100 copies per week for distribution.

The selection of Christian literature being so great — the need even greater — forgetting not God's Word, let us "seek out the Book of the Lord and read." (Isa. 34:16)

CHILDREN'S HOMES

Eddie Reynolds

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded to them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children will suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

Pressing needs continue to face us. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. We are confronted with these needs:

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we can not maintain what we now have in progress. We challenge pastors, Sunday School, superintendents, and church leaders to make the best preparation possible for the forth-coming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

CHRISTIAN ACTION LEAGUE

James M. Newman

The world-renowned Dr. Albert Schweitzer has said, "Drink is commercially our greatest wastrel, socially our greatest criminal, and morally and religiously our greatest enemy." This is true today. No indictment against this Number One enemy can be made too strong.

It is estimated that in the year 1962, there were 68,000,000 American

adults who drank alcoholic beverage in some degree. Of these, 5,400,000 were alcoholics and another 4,100,000 were heavy drinkers or problem drinkers. Alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually.

In particular, the Christian Action League seeks (a) to unite all who believe in total abstinence from alcoholic beverages to a cooperative effort to agitate, legislate and educate against social evil; (b) to awaken public interest in opposing gambling, narcotic addiction, salacious literature and acts of violence and vandalism; (c) to promote programs for the rehabilitation of the victims of alcoholic beverages and other narcotics.

The support of the League comes from donations, churches and individuals who are concerned, and in our day and time every one who professes the name of the Lord Jesus Christ should be greatly concerned about this important area of Christian character.

CHRISTIAN EDUCATION

Fred E. Thompson

The gifts of the local churches through the Cooperative Program have financed significant advancements in Christian Education this past year. According to a report by the North Carolina Baptist Council on Christian Education, seven colleges with a total enrolment of 9,189 undertook a part of the educational task confronting North Carolina Baptists in 1963. Also, Campbell College graduated its first senior class. Mars Hill will graduate its first senior class in the spring of 1964.

However, Baptists are not as yet meeting the challenge which the task of Christian Education places before them. Baptist colleges are enrolling only one in five of the Baptist students. The ratio probably will be about one in ten by 1970, according to the Education Commission of the Southern Baptist Convention. In spite of this ominous challenge, state conventions and the Southern Baptist Convention decreased gifts to Baptist schools from \$15,677,189 to \$15,514,770 in 1962.

The report of the Education Commission to the Southern Baptist Convention in May, 1963, states that the number one problem of the Baptist colleges is the shortage of qualified teachers. "The placement service is increasing its number of registrants but Ph.D.'s are in short supply and the oversupply of teachers in Bible and religion increases."

Of particular interest to the South Fork Association is the action taken by the Executive Committee on September 10, 1963. The committee approved a recommendation of the trustees to award to Miss Joyce Shronce, of the Amity Church, a \$250.00 scholarship. The Scholarship Fund is financed by the interest drawn on that part of the money which the South Fork Association received from the sales of the South Fork Institute property, plus a supplement from the associational budget. (For an historical resume of the South Fork Institute property sale, see The Observer-News-Enterprise, July 22, 1960).

CHURCH EXTENSION

W. L. Pitts

The West Lincolnton Church, now under watch care, has made excellent

quarterly reports and we, the church extension committee, are pleased on the strength of these reports and other fine indications to recommend this church for full membership in the South Fork Baptist Association.

THE EXECUTIVE COMMITTEE

C. H. Greene

The Executive Committee held four regular meetings and one called meeting during the year. The average attendance was 28 with 16 churches represented. Reports were heard from departments heads concerning the work of the association. All regular and incidental business of the association was considered.

At the 1962 annual meeting the Executive Committee was instructed to set up a Scholarship Commission. We therefore wish to make the following recommendations:

1. That the name shall be, The South Fork Baptist Scholarship Commission.

2. We recommend that the policies governing the commission be established and maintained by the association.

3. We recommend that the money now out on loan in the Scholarship Fund be called in as soon as possible by the Trustees of the Association to become a part of the Commission Fund.

4. We recommend the following policies as a basis of operation:

A. The number of members of the Commission shall be six; elected on a rotating system, with two rotating off each year.

B. Duties of Scholarship Commission:

a. General oversight of funds.

b. Seek gifts from interested sources.

c. Recommend names to the Association for approval for loan or grant.

d. Seek and approve security for the loans granted.

e. To see to the repayment of loans.

f. To make reports to each executive meeting of the Association.

5. We recommend that scholarship be granted in keeping with the two following methods:

A. A LOAN — payment to begin one year after graduation, payments and interest to be determined by Commission.

B. GRANTS — To be granted in case of extreme need.

6. We recommend that the amount of loan or grant shall not exceed \$250.00 per semester per person; with application being made each semester. The applications to be in the hands of Commission not later than August 1st and December 1st.

7. We recommend that the notes to cover the amount loaned shall be

secured by the signature of applicant and a person approved by the Scholarship Commission.

8. We recommend that the association provide bond for the treasurer.

9. We recommend that applicant must be a member of a co-operating Baptist Church of the South Fork Baptist Association, and that each application be accompanied by a letter of recommendation from the church, and that preference shall be given to those who aspire to church related vocations.

10. We recommend the following members and organizations for The Scholarship Commission:

One Year Terms: R. E. Hicks, Trustee and Chairman; Coyte Punch

Two Year Terms: H. M. Craig, Trustee; Buford Bumgarner

Three Year Terms: Don Pendleton, Trustee; Kemp Harris, Treasurer

EVANGELISM

William D. Saunders

Dr. Friday B. Edge in his book, A QUEST FOR VITALITY IN RELIGION, says, "If man is sinner, if he stands under the 'wrath of God,' if he is 'without hope,' if God has acted to provide a way of redemption by making the supreme sacrifice in the gift of his Son, then the fundamental task of the church is to bring sinful man into right relationship with the redeeming God . . . It is to this mission God's people must respond."

As we review our record for the year just past, we can see that our response "to the mission" has not been all that it should have been. Perhaps this is true because too many individual Christians have failed to feel any sense of a personal "mission" to "bring sinful man into right relationship with the redeeming God." We shall not win men to Christ as we should until every Christian recognizes, and enthusiastically accepts, his personal responsibility in evangelism.

In looking ahead to a new year, we would impress upon every South Fork Baptist the urgency of a total commitment to the will of God by both churches and individuals. If we will so commit ourselves now, we shall see the fruit of this commitment as souls come trusting Christ as Saviour and Lord throughout the new year.

The year 1964 will mark the 150th anniversary of organized Baptist work on our continent, and we are praying that it will be the year in which we will win more to Christ than ever before. We are now making plans for our association's participation in the Baptist Jubilee Revival effort in 1964. The date for our revivals is March 8-22. We trust that every church in our association will make every effort to be a part of this great world-wide effort.

HOME MISSIONS

Cecil L. Ballard

To receive a report from our home missionaries of 48,700 professions of faith last year should within itself be a challenge for us to support wholeheartedly our Home Mission Work through our prayers and gifts. More than 2,100 missionaries now serve with the Home Mission Board in addition to the 595 student summer workers. We take courage from the following:

1. In 1962 5,000 missions and churches started, making the total of 19,117 since 1956. During 1963 the emphasis has been on language groups, and next year on urban areas.

2. Relief to churches in Kentucky, West Virginia, in the amount of \$5,000.00 to help restore church buildings and furnishings wrecked by winter and spring floods.

3. During 1962, 414 new appointees, but the need is urgent for missionaries to Spanish, Italian, Polish, Yugoslavian and good-will centers, along with missionary nurses.

4. A high record of 385 churches served by Division of Church Loans for a total of \$4,080,667.00.

5. New emphasis on Migrant Missions. No trailers or traveling on the part of missionaries, but emphasis on church-centered approach, and missionaries serve limited areas as advisors to associations and churches who will be in contact with the migrants.

6. With emphasis on language groups, 850 Cubans had been resettled through Southern Baptist churches by May, 19663, in addition to thousands who had been assisted with food and clothing in Miami and other cities.

Although our hearts are encouraged, let us not become overwhelmed in our progress to the extent that we may lose our vision. May we pray and give until our hearts are moved with a greater compassion.

HOMES FOR THE AGING (BAPTIST HOMES)

Leonard P. Horne

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful way during the twelve years of our operation, and for the past year has been filled with His goodness. In our four Baptist Homes — the Haynes Home and Resthaven in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home at Hamilton, we are now able to serve 160 residents.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arms of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The average age among our residents is 80. Our youngest resident is 65, and the oldest will be 102 in July. The resident is assured that he will receive tender loving care in sickness as well as in health. The tie with our Baptist people and our Baptist churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. A Special Day Offering is received in our churches on the third Sunday of February each year, and the Homes share in the Cooperative Program. May we pray much concerning the offering in our churches this coming February.

HOSPITALS

G. T. Liner

The opportunity of serving persons created in the image of God is a high and holy privilege. You and I have such an opportunity in the multiplied thousands who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. Every member of every Baptist church in South Fork Association should as a Christian joyfully take advantage of this

God-given opportunity, and give to our Mother's Day Offering above our regular church offering every year.

Every church in our association should set aside some amount in the budget for monthly or a quarterly offering for the service department of our hospital. I am sure God will greatly bless the church that will do this. Ministering to the sick, lame, blind, deaf and dumb was one of our dear Lord's personal ministries when he was on earth in human flesh. I am sure he expects the same token of love from all of his churches.

A few dollars do not mean much to a person who has good health and needs no medical care or other care that is offered through our hospital, but to the person who does need this help and does not have the money to pay for it, a few dollars mean the difference between life and death many times. Is human life so cheap that we would see it forfeited for the lack of a few dollars we could well spare? I do not believe you feel that way. But I do believe most of us just do not stop and give thought to the matter. Think it over. What if the one in need were you? What would you think of a few dollars?

I appreciate your past response to the plea for this cause, but our combined response has not been sufficient. Please give, give not sparingly but generously.

RESOLUTIONS

Robert W. Morrow

In as much as the South Fork Baptist Association met in its 85th annual session with East Maiden and Mt. Anderson churches, be it resolved:

That we express to these churches our most sincere gratitude for their kind hospitality and bountiful provisions for these services.

That we express our gratitude to the program committee for arranging a splendid program which has proved to be a spiritual blessing to all.

That we express our thanks to all committees who have rendered service during the year.

That we express our thanks to our moderator for the manner in which he has conducted each session.

That we also express our gratitude to our associational field worker for

services rendered during the past year and to all who have appeared on the program of this session.

That we also express our gratitude to Mr. and Mrs. C. O. Pendley and Mrs. Austin Josey for leading us in singing Hymns of Praise to God.

That we also express our thanks to Mr. Richard V. Keever, from the Macedonia Church, for the registration file which he made and gave to our association.

SEMINARY EXTENSION

Bill Morrow

Even though a fine spirit prevailed within our Seminary Extension Center this year, our enrolment was not what we had anticipated. We had only six churches from our association represented with an enrolment of 13 pupils and only 12 completed the course selected.

The Seminary Extension Center offers opportunities of study which can be of help to any person who has a desire to be a better servant in the Kingdom of God. These courses are not too difficult for anyone who is willing to study. They are not on the "study course" level, just a little more advanced, but they can be very helpful to any Christian leader.

It would be wonderful if we could have more, if not all, of our churches represented in the Seminary Extension Center. I feel sure that if you attend these classes, both you and your church will be blessed by your efforts.

STATE MISSIONS

D. Harding Caldwell

We are constantly reminded of the great challenge that comes to us in the Great Commission. We are commanded to "Reach, Teach, Win, and Develop" disciples for Christ. The reports are encouraging and yet even more challenging when we come to think of the two million lost people who live in our state. From all indications the Baptists of North Carolina have a planned program that is geared to meet the spiritual needs of our state. There are four divisions in our state program. They are as follows: Division of Evangelism, Division of Missions, Division of Church Programs, and the Woman's Missionary Union. Even though they are called "Divisions" the ultimate concern is unity when we come to focus our minds on the individual who is lost. The task is a cooperative effort. One has said, "The church that does not GO will soon be gone. Teach evangelism, preach evangelism and missions working hand in hand. Pray for missions and give to missions."

Since its beginning in 1956, the 30,000 Movement has seen the establishment of more than 675 new missions and churches in North Carolina. Dr. E. L. Spivey, Director of the Division of Missions, says, "Every new church is an outgrowth of missionary passion and zeal. If while growing in size, these new churches grow in world vision and stewardship, mission work at home and aboard will increase. Baptists are praying for the success of the 30,000 Movement, both for what it means in reaching North Carolina for Christ, and for what it promises for reaching our nation and other nations."

September 15 was State Missions Day. If you haven't made any provi-

tion for this special and worthy cause may this report serve as a reminder that we are to begin at home and then to reach out to all the world. Our support of our State Missions and the Cooperative Program will help us become more missionary minded.

SUNDAY SCHOOL

Boyce Earnhardt

The Sunday School is the Bible teaching arm of the church. It assists the church in fulfilling its most important functions: worship, proclamation, education, and ministry. It does this in carrying out the following basic tasks: reach all prospects for the church, teach the Biblical revelation, lead all church members to worship and witness daily, provide opportunities for the personal ministries of the church, provide organization and leadership for special projects of the church, and to interpret information regarding the work of the church and denomination.

Our associational Sunday School organization during 1962-63 has attempted to aid each of our Sunday Schools in fulfilling its functions by means of Monthly Workers Conferences, a Central Training School, a Vacation Bible School Clinic, and Action Night.

Dr. A. V. Washburn, southwide secretary of Sunday School, says, "Before outreach can become a contributing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the teaching of the Bible, the winning of the lost, and all the development that should come out of it."

Our theme for 1963-64 is "Outreach for the Unreacher — Spearhead for Evangelism." We hope our association will schedule both the Sunday School Witnessing Program and the Jubilee Revivals this year. And as a result of these concerted evangelistic efforts that our Sunday School enrolment will increase by at least five per cent.

Each Sunday School should observe January Week of Bible Study, plan a Vacation Bible School, teach Church Study Courses, and cooperate with the Associational Sunday School program. Let us attend the meetings, become acquainted with the goals for 1963-64, and work together in such a way that all might come to know Jesus Christ as Lord and Saviour.

TRAINING UNION

Ryan Shelton

The Training Union events for the past year in South Fork Association were "M" Night, tournaments, local training schools, and Youth Night. "M" Night was December 3 at Mount Ruhama Church with thirty-four churches represented and more than eight hundred present. Our speaker was the Dr. E. W. Price, Jr., pastor of Green Street Church in High Point, who brought to us a heart warming message. Music was under direction of Emmitt Turbyfill.

The next meeting was in April when we had a World Missions rally which was sponsored by Training Union. This meeting was held at Bethel Church and the speaker was Rev. James Newman, pastor of Sharon Church. Also in April our associational tournaments were held at River View Church.

We had participants in Adult Scripture Reading, Intermediate Sword Drill, and Junior Memory Work.

The June Meeting was held at Long Shoals Church. The speaker was Rev. Guy Longshore, Macedonia pastor. The August meeting was at Mount Zion Church and the program was on the alternate Adult Union plan of programs.

Reports show we have 34 churches with Training Unions. The total enrollment for the South Fork Association is 3,193, and the average attendance is 1,659.

WOMAN'S MISSIONARY UNION

Mrs. Clyde A. Lawing

To point out directly toward progress in the total program of South Fork Associational WMU can be done with pride. Let me attempt to survey specific fields in which the Aims to Advance have made great strides.

First, We organized a WMS in the West Lincolnton Baptist Church and this group has made progress in membership as well as other aims.

Second: An Associational Banquet was held for our GA's. It was an overwhelming success, numbers were turned away because of no room. A great big salute to our young people who are marching on in such a marvelous way.

Third: Repeat performance was experienced at the WMU Banquet, two hundred women strong, united for a cause started seventy-five years ago.

Fourth: Churches with Societies over the association have just completed a study on World Awareness. When in the history of Woman's Missionary Union has the world and its needs been so evident? Our women are making themselves aware through study in order to help channel other organizations in their churches in that direction. Tension, Prejudice, Bloodshed, Hatred, and Racial Obstacles can be erased if we go forth in Faith. Study God's Word, then the fields, Pray and Give is the way we are uniting our efforts to roll the Stone Away.

This body shall be known as the South Fork Baptist Association of North Carolina.

Article II. MEMBERSHIP

Section 1. The Association in session shall be composed of the duly-elected messengers from the cooperating Baptist Churches in the South Fork Baptist Association and the duly-elected messengers from the Baptist Churches which may become cooperative in the future, as hereinafter provided.

(1) Three for the first one hundred members or fraction thereof, and one for each additional one hundred members or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All Pastors of Churches of the Association, and the Associational Missionary, shall be recognized as messengers, in addition to those specified above.

Article III. RIGHTS OF CHURCHES

Churches seeking to seat messengers in the Association shall apply to the Church Extension Committee prior to the Annual Meeting of the Association, giving evidence of their faith and order and their agreement to be received under the watch care of the Association for a period of one year. It is understood that during this period such Churches will be accorded all of the services of the Association and its privileges, with the exception of the right to seat voting messengers. Upon recommendations of the Committee and the approval of the Association by a two-thirds majority of the members present and voting, the Church or Churches shall be received under the watch care of the Association. At the conclusion of the period of watch care, the Church or Churches shall be authorized to seat duly-elected messengers with voting privileges, provided they have proven to be cooperating Baptist Churches.

Article IV. ARTICLES OF FAITH

The Articles of Faith of this Association, which shall be the basis of fellowship and cooperation, are those adopted by the Southern Baptist Convention in Memphis, on May 14, 1925.

Article V. OBJECTIVES

The Objectives of this Association shall be to recommend and promote measures for increasing the harmony and spiritual powers of the Member Churches in the Kingdom Work; to promote fellowship and good will among the Churches; to provide a convenient means of cooperation for the Churches, to enlist all of the Churches in promoting the advancement of the Kingdom Enterprise through missions, education, evangelism and stewardship, and in all the work sponsored by the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article VI. POWERS AND PREROGATIVES

The Association, when in session, shall sit as an advisory council, and shall have no power to infringe on any of the internal rights of the Churches; it may advise with the cooperating Member Churches and recommend measures of usefulness for their adoption, and may claim for itself, its objects, and its recommendations, the highest consideration.

PROCEEDINGS
Eighty-sixth Annual Session
SOUTH FORK BAPTIST ASSOCIATION

OCTOBER 8, 1964

Thursday Morning

1. The day was bright and beautiful, but a little bite in the air made us walk briskly in the earlier part of the morning and there was just enough heat in the church to make everyone comfortable. Adorned with a handsome new spire the house of Olivet Church was the meeting place for the 86th annual session of South Fork Baptist Association. D. Harding Caldwell called the meeting to order at ten o'clock sharp and Bill Morrow directed the music program accompanied at the organ by Miss Hazel Eades, and at the piano by Mrs. Glen Kale, both of the host church.

2. In his words of welcome, host pastor C. B. Bobbitt reminded us that this was the seventh time Olivet has entertained the association.

3. The theme of the program was "O Worship The King" and every session was opened with the singing of this song or at least one stanza of it. Also a theme display like the cut appearing at the head of these proceedings was suspended in the baptistry opening.

4. After the welcoming remarks pastor Bobbitt read from Acts 2:41-47 and led in prayer.

5. At this time an announcement was made concerning the November group schools, a registration report of 215 messengers was made, and visitors were recognized.

6. On motion by E. B. Wilkinson the association voted to consider the 215 messengers and others present to constitute the 86th annual session of the South Fork Association.

7. Herbert Miller presented new pastors present. They are Morris Baker, Kenneth Bowen, Fred Carpenter, Robert Garrett, James Henson, Paul Hopkins, Earsel Robinson, Charles Cranford, and E. W. Friday. Mr. Friday was not new in the association but was pastor of another church. These stood at the front for recognition and their wives stood in the audience. Others not present were Horace Crouse and Rex Hobbs, away in school, and Jerry Teague.

8. On motion by Frank Taylor the prepared printed program was adopted for use with any changes necessary on occasion.

9. In reporting on the digest of letters Alvin Walker pointed out that we had made advances in every department except Sunday School, and the loss there was not necessarily significant because several schools revise their rolls to include only those present the first Sunday in the quarter.

10. The Book of Reports also was presented by Frank Taylor. The association voted to approve these written reports except where recommendations were involved.

11. The moderator recognized David Memory, a student, and Dr. E. W. Hamrick, teacher, who brought greetings from Wake Forest College.

12. Dr. Garland Hendricks of Southeastern Seminary brought a message on Christian education and urged us to pray for all our institutions. He was introduced by Fred Thompson.

13. After a hymn, Dr. W. Perry Crouch, new secretary and treasurer of our State Convention, spoke on "Baptist Work Around The World."

14. R. W. Morrow, alternate preacher, read the scripture lesson for the message by Fred Thompson, John 4:19-21, 23-24, after which he sang "The Love of God."

15. The topic of Fred Thompson's sermon was "O Worship The King." He spoke essentially on the factors and participation of worship. He introduced his message by presenting the needs of worship and then developed these three points: 1. A Look at some Biblical Characters (to see what worship did for them), 2. The Words of Jesus concerning Worship, 3. Two Factors in Genuine Worship—Participation or Involvement, and Reverence.

16. Morris Baker led the closing prayer and expressed thanks for the food about to be served.

Thursday Afternoon

17. The Olivet ladies measured up to their fine reputation in the bountiful and excellent lunch that brought words of praise from all those who enjoyed the noon fellowship. In this fine mood we gathered back into the sanctuary for the afternoon session at 1:30 promptly.

18. After a hearty song service Robert Garrett read from Matthew 28:18-20 and led in prayer.

19. Moderator Caldwell explained that by consent of the Executive Committee no evening program was planned and if there were no objections this would be the procedure for the next year. There were no objections and the program committee for 1965 will be expected to plan no evening session.

20. Reporting for the Church Extension committee, Eugene Elemore recommended that Walnut Grove Church in Gaston County be taken into watch care of the association indefinitely and the recommendation was approved.

21. Eddie Reynolds moved that a birthday greeting be sent to L. A. McClure, past moderator and pastor emeritus of Macedonia Church. It had been learned that he would celebrate his seventy-fourth birthday the following Saturday.

Also he was reported recovering satisfactorily from recent treatment at a hospital.

22. Dr. W. K. McGee was introduced by Paul Drum. He reported on our hospital at Winston-Salem.

23. Religious literature was discussed by Roger Branch, recent associate to Marse Grant of the Biblical Recorder. He was introduced by the moderator.

24. Earsel Robinson made an appeal for the American Bible Society and took an offering which amounted to \$53.13.

25. After a song the closing message was brought by Darrell Saunders who spoke on evangelism. His topic was "Lessons on Evangelism," based on Matthew 15:32-39, the story of the feeding of the four thousand. He pointed out: (1) A Concern for People, (2) Our Inability to Meet the Needs of the Multitude, (3) Christ's Sufficiency, (4) A Personal Encounter.

26. The benediction was led by Charles Cranford.

October 9 — Friday Morning

27. Friday's session was held with the Leonard's Fork Church. The program opened at 9:45 with Bill Morrow directing the music and Mrs. Austin Josey of Mount Anderson Church at the piano.

28. The devotional period was led by Kenneth Bowen who read from Philippians 2:5-13 and led in prayer.

29. The first report of the day was on Children's Homes with John Roberts, editor of Charity and Children, bringing the message.

30. C. Gordon Maddrey of Ahoskie spoke on the Baptist Foundation.

31. E. D. Wilkinson reported an attendance on Thursday of 256 and 158 for Friday at that time. Several guests were recognized.

32. Herbert Miller introduced Guy Cain, of Raleigh, who spoke on the work of the Annuity Board.

33. A memorial service was held conducted by A. R. Waters.

34. E. W. Friday reported on the Homes for Aging and as no representative was present, made some very appropriate observations.

35. In the absence of W. L. Pitts, who was sick, Paul Hopkins presented the cause of the Christian Action League and an offering was made in the amount of \$37.79.

36. In the absence of Mrs. Clyde Lawing the clerk read her report on the WMU but no message was prepared for this occasion.

37. In the absence of Mr. Pitts, whose Brotherhood report was in the book of advance reports, the moderator used the combined time for these two items to play a tape of Dr. Baker James Cauthen's message at the Convention in Atlantic City. The tape and machine was the property of Mr. Caldwell who attended the convention. This probably is the first time this type of program material has been used in a South Fork annual session and it was well done and well received.

38. The doctrinal message was brought by C. E. Parker who read from Acts 2:14-21 and spoke on "Standing Up Together In Christ." He said that we should stand up and stand together on Prayer, Faith, the Bible, the Work of the Holy Spirit, and Christian Unity.

39. In the closing prayer by M. L. Bailey expressions of thanks were made for the noon meal.

Friday Afternoon

40. This was the first time for Leonard's Fork Church to entertain the association, but all who attended will want to go back again if for no other reason than to have another such feast. The day was ideal and the dinner "more so," and both put a "good taste" in our mouths. The afternoon session began at one o'clock.

41. Ephesians 6:10-18 is the passage used by James Henson for the devotional period and he led us in prayer.

42. In the period for committee reports, first, words of welcome were heard from the host pastor, Gaither Shrum. He was compelled to be absent at the morning program.

a. The auditor's report was read by the clerk and adopted.

b. The historian's report was read by Mrs. Harmon James and approved. She added to her report an announcement that valuable historical records may be preserved at Wake Forest College by contacting John Woodard there.

c. Paul Drum gave a report on Place and Preacher. (See cover page.)

d. The resolutions committee report was made by Fred Thompson.

e. C. H. Greene reported for the nominating committee. After opportunity was made for nominations from the floor the committee report was accepted and the elected officers are named in the directory section.

f. Eddie Reynolds presented the report of the finance committee and it was adopted. It was further agreed that the trustees should have authority to proceed with work on the missionary home, expenditures for which had been provided in the budget of the finance committee.

g. Darrell Sunders presented the report of the committee on committees. The approved committees appear in the Standing Committees of the directory.

43. Four officers are elected from the floor. When D. Harding Caldwell was nominated for moderator, Herbert Miller was asked to take the chair in the absence of vice moderator—R. E. Hicks who was sick. Mr. Caldwell was re-elected moderator. C. E. Parker was elected vice moderator. Alvin Walker was re-elected clerk and Mrs. Glenn Morrison was re-elected treasurer.

44. Mr. Walker had requested replacement but agreed to serve another year. On a motion by Herbert Miller the nominating committee next year will bring a suggested name for a clerk. This action was taken to assure careful choice for this office but of course with the constitutional privilege of nomination from the floor.

45. The moderator on taking office for the second time expressed deep appreciation both for the honor and for the cooperation he had received.

46. A motion by C. H. Greene was carried asking the Executive Committee to set aside a Sunday for the promotion of the Scholarship Commission work and the taking of an offering for the scholarship fund.

47. The work of the scholarship commission was presented by Don Pendleton who read a paper by Miss Joyce Schronce who is using the last of scholarship grants, after the former practice of some 46 years. We submit a few lines from her paper.

I first learned about Gardner-Webb College at a (joint) youth revival at Amity, Antioch, and Macedonia churches. Dr. Poston spoke. I applied to Gardner-Webb and was accepted. I did not know how I would meet the expenses (but) I received the South Fork scholarship which was a tremendous help.

For my life's work I can not say specifically what I want to be. But I can say my life is open and submissive to God's will. I want my life to count for Jesus.

I am grateful to all the South Fork people who contributed to the scholarship. I deeply appreciate it and wish I could meet each one of you, thank you, and tell you what it has meant to me.

48. Verbal reports for department work were made by Alvin Walker speaking for Training Union in Mr. Robinson's absence, Mrs. Robert Garrett for W.M.U., and Robert Garrett speaking for Sunday School.

49. The closing message of the association was brought by C. H. Greene on "The Stewardship of the Mind." Basing his thoughts on Mark 12:28-34 he centered on the words of Christ to love God with all the mind. Therefore, said he, keep the mind (1) Undivided in Loyalty to God, (2) Open to the Truth of God, (3) Engaged in Search for Truth, and (4) Free from Impurities.

50. Fred Carpenter led the closing prayer.

51. This session was characterized with a very fine spirit and good fellowship. It seemed that every message was a superlative and there were no controversies.

52. Total attendance was 439 for the two days; 256 at Olivet, and 183 at Leonard's Fork.

PROCEEDINGS

Fifty-fifth Annual Session

WOMAN'S MISSIONARY UNION

South Fork Baptist Association

April 10, 1964

The fifty-fifth annual session of the South Fork Woman's Missionary Union was held April 10, 1964, at Mount Zion Baptist Church, Alexis, Mrs. Clyde A. Lawing presiding.

The afternoon session opened at 4 o'clock with the singing of the hymn, "O God Our Help In Ages Past," under the direction of Mrs. C. J. Turner, Jr. An inspiring devotional was given by Mrs. Robert Garrett who elaborated on the theme, "For Liberty and Light," which was very vividly portrayed in the banner over the pulpit, and further emphasized in the programs.

After the minutes of the 1963 session were read and approved, and the treasurer's report was given, reports were heard from the Resolutions Committee and the Time and Place Committee. The recommendation to hold the 1965 session on Tuesday, April 6, from 4 to 9 p.m., at Gainesville Baptist Church was approved. The report of the nominating committee was given by Mrs. Eddie Reynolds in the absence of the chairman, Mrs. Mary B. Tobey, and unanimously approved.

Lincolnton First Church was recognized for the only Honor W.M.S. in the association, and Macedonia Church for attainment of an Honor Y.W.A. Girls' Auxiliary groups from Mount Ruhama and Boger City churches were recognized also for Honor organizations.

Mrs. I. A. Hallman, Jubilee Chairman, reviewed the Jubilee Goals during the Jubilee Advance which ends this year. This was followed by a "Call to Prayer" led by Mrs. W. L. Abernathy with several ladies assisting. Prior to adjourning for the evening meal, Mr. and Mrs. Boyd Horton who work with the Cherokee Indians, were recognized and three Indian ladies, Mesdames Walkingstick, Davis, and Miller.

Following an abundant meal and wonderful fellowship in the fellowship hut the evening session opened with quiet music followed by a very timely and informative playlet entitled, "Annie Armstrong, Daughter of Destiny," presented by the women of Maiden First Church. A period of unfinished business followed when it was noted that the nominating committee should be secured by the Executive Board rather than by the nominating committee, according to the By-Laws. A motion was carried that this be done and the names of Mrs. I. A. Hallman and Mrs. Clyde A. Lawing were added to those who will serve on the 1964-65 committee.

A highlight of the evening came when Mr. and Mrs. Horton, introduced by Rev. Alvin Walker, brought challenging and heart-warming accounts of "A New Work With Our Cherokee Indians," and they included the three Indian ladies in presenting these accounts.

Rev. R. Boyce Earnhardt, the host pastor, led in the prayer of dedication for the new officers, bringing the evening session to a close.

WRITTEN REPORTS

The following are written reports for use in this publication. Some have been shortened to comply with the 300 word limit required by our constitution. All have been properly approved.

ACTIVITIES COMMITTEE

Richard Hicks

In keeping with the recommendations of last year's Activities Committee, your Activities Committee planned and promoted ten Monthly Workers' Conference meetings. In accordance with the same recommendations, supper was served at six of these meetings, and the emphasis at these meetings was confined not only to our Sunday School, Training Union, Brotherhood and W.M.U. organizations, but special emphasis was also given to stewardship, evangelism and missions. The place of meeting and the emphasis of each monthly meeting were as follows:

January	Sunday School (Called off)	Reepsville
February	Evangelism	Lincoln Avenue
April	Brotherhood	Lawing's Chapel
May	Training Union	Mount Ruhama
June	Sunday School	Hull's Grove
July	Stewardship	Macedonia
August	Evangelism	Southside
September	Sunday School	Bethel
November	Brotherhood	Mountain View
December	Foreign Missions	Maiden, First

Your Activities Committee has been highly pleased with the attendance of our people from the various churches in our Association, at the Monthly Workers' meetings this year.

The Activities Committee submits the following recommendations to the Association concerning our monthly meetings:

1. That during 1965, we continue our previous plan of having twelve meetings, one each month, and that dinner be served at six of these meetings.
2. That these meetings be planned in advance by the Activities Committee, the Moderator and the Superintendent of Missions; and that this group be responsible for the promotion of these meetings.
3. That the Activities Committee again be given the privilege of planning the programs, with emphasis on whatever phase of our work the Committee deems wise.

AMERICAN BIBLE SOCIETY

Earsel L. Robinson

The American Bible Society shares in the concern expressed by the general theme of the 1963 meeting of the Southern Baptist Convention, "To Make Men Free." During 1963 the American Bible Society . . . **Distributed** at home and abroad 1,431,996 Bibles, 2, 341,442 Testaments, 16,141,149 Selections, a total of 34,403,825 Scriptures; **Issued** to the Blind 58,594 Scriptures in Braille and on Bible records; **Assisted** in the preparation of 130 language publication projects, 69 of which were completed in 1963; **Provided** Scriptures in 444 languages and dialects; **Started** a Woman's Speakers Bureau, also a Campus Ministry to serve the estimated four million College and University students, 78,000 of them from overseas. Furthermore, the Society has responded to many other calls and taken important steps in impressive promotion of its work.

The American Bible Society, convinced that the Bible is the Book for our time and all time, has chosen the theme "God's Word for a New Age" in its dynamic program to make Scriptures available everywhere, to all, in the form best read and understood. Let us join in with the Society in trying to put a Bible in every Christian home. To do this we must help them reach their budget of \$5,860,000.00 for the current year.

ANNUITY BOARD

Herbert P. Miller

NEW "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board regardless of whether he is a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1 of this year.

We suggest that every pastor look into this low-cost group insurance plan. The cost of this protection is so low and the benefits so great that no pastor with inadequate life insurance should pass up the opportunity of adequate coverage.

MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's Retirement program with their pastors. Out of 174 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies, 118 are enrolled in an Annuity Board plan with their employees. Total membership in the Board's retirement plans is approximately 25,000.

The following South Fork Churches are participating in the Annuity programs: Maiden First, Amity, Antioch, Bethel, Boger City, Cedar Grove, Center View, Craig Memorial, Lawing's Chapel, Macedonia, Mt. Zion, Mtn. View, Mt. Anderson, Mt. Ruhama, Olivet, and Piney Grove.

ANNUITY SECRETARY

The Annuity Secretary for North Carolina is Guy Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection ministry. He seeks first to enlist those pastors and church and denominational employees who are not enrolled in a retirement plan with the Board. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

ASSOCIATIONAL MISSIONS

Alvin A. Walker

Associational Missions in the South Fork is reflected largely in the work of the superintendent of missions. In the year just closed he held 1475 conferences of all kinds, mailed 7866 monthly bulletins (POSTS), mailed 1563 circulars in 29 mailings, traveled 11,158 official miles, mailed 161 pieces of first class mail, taught 37 Sunday School classes, and delivered 55 talks and sermons. He had minor part in 71 meetings, conducted 14 radio services, prepared 40 news releases (10 stories), taught 5 five-day study courses, conducted the Junior conference in the associational VBS clinic at Boger City Church, and worked in three Bible Schools leading two to Christ, 18 to "rededication," and two to dedicate for definite service.

He attended 15 state promoted meetings, took part in 9 civic meetings, was Action Night speaker for Theron Rankin Association, served once as chaplain-of-the-week in Lincolnton hospitals visiting 87 sick people and notifying 29 pastors of sick members, served as secretary of the Executive Committee and associational clerk, attended three Southwestern Pastors Conferences and was speaker once, directed Region 8 TU Convention being president, and helped in the annual WMU banquet program. He produced the Calendars of Activities and mailed 237 copies, attended all Lincoln Avenue meetings of the evangelistic crusade, made the associational theme displays, participated in Catawba River Schools of Missions, assisted in "M" Night and Action Night, served in one Sunday School Officers clinic, conducted the Lord's Supper in one church for sick pastor, assisted four churches in ordaining deacons and two in ordaining preachers.

We have three churches sponsoring separate missions, Macedonia, Olivet, and Cedar Grove.

BROTHERHOOD

W. L. Pitts

Upon the men of our churches rests the greatest task of service for the Lord. He said, "I searched for a man to stand in the gap to fill up the hedge."

Many of the Baptist laymen of our association have not accepted this call to service. It is our prayer that more and more will do so this year. Two Brotherhood services were held this year at the monthly workers' conference meetings. The first such meeting was held at Maiden, First and the other at Lawing's Chapel. The attendance at both meetings was good and the spirit was high. Three new Brotherhoods have been organized this past year.

We urge all those churches not having Brotherhoods to utilize their manpower by doing so as early as possible. A pastor could render no greater service to his church than to lead its men to organize for Kingdom service.

In order to have a good Brotherhood we recommend that each organized Brotherhood use the Journal, and to have a study course each year in **The Church Brotherhood Guidebook**.

CHRISTIAN ACTION LEAGUE

W. L. Pitts

One of the tragedies of our time is the moral ineptitude of religious denominations in not arousing public opinion to the increasing menace of the liquor traffic and Sunday racing. We have unlimited ineffective discussions on moral issues of a general nature that never get down to cases. But directly the liquor barons who fatten their pocketbooks on the sale of alcoholic beverages and Sunday racing without conscience or regard for the harm that is done are likely to be brought into the limelight, the psychological obstacle of fear turns off the thunder of the wrath of God.

Religious assemblies pass resolutions that have no effect. There is no protest of any importance over the advocacy of alcoholic drinks and Sunday racing reaching into homes through TV, radio, and magazines. Children are conditioned for alcohol and Sunday racing by the carelessness of thoughtless parents, and no counter-instruction is given. No wonder modern Christianity seems to have lost its moral influence.

This and other evils related to the sins of the flesh become acceptable through want of opposition or correction. Only empty heads could conceive that this unchallenged allowance of evil will not ultimately penetrate and destroy churches, and ultimately the church. Whereas, if only the moral forces of our Christian faith were brought into effective unity, positions of moral firmness could be taken and the liquor traffic and Sunday racing could be restrained by law.

May God's power and blessing rest upon those who support organizations such as the Christian Action League with our money, influence, and energy, that we will raise a standard against the current social and individual corruption of our day.

CHRISTIAN EDUCATION

Fred Thompson

North Carolina Baptist Colleges have had a phenomenal growth over the past twenty-five years, according to a recent report of the Council on Christian Education. The total property value of these schools exceeds \$60,000,000. More than 11,000 students are enrolled in these seven colleges, many of whom are studying to be pastors, missionaries, directors of religious education, and leaders in church music.

The Council is of the opinion that "the Cooperative Program is a lifeline for the Baptist Colleges." Through the Cooperative Program these colleges receive an endowment of \$33,000,000, "without which not a single North Carolina Baptist College at the present could meet standards of accreditation."

Christian Education faces an ominous challenge in this generation. Last year Baptist colleges enrolled only one in every five Baptist students. The Education Commission of the Southern Baptist Convention believes that by 1970 the ratio will be about one in every ten students. Moreover, there is a perennial shortage of qualified teachers. Teachers holding Ph.D. degrees are in short supply. Yet, thirty per cent of a college faculty must hold Ph.D. degrees before the college can be accredited.

"The Christian College . . . knows that the youth of today are . . . asking profound questions about life and its meanings. Many young people in the 20th century are not satisfied to learn only how to make a living." They are wanting something to live for. Christian colleges endeavor to help the student to find a purpose in life, one worthy of the best that he has.

CHRISTIAN LITERATURE

Paul J. Hopkins

Christian literature does not need defending — it needs distribution and wider reading. Never before have Baptists had such opportunities as today to magnify and promote the Lord's work through vital Christian literature. The printed page is powerful; its influence is universal. Baptists have compelling reason for securing and reading Christian literature, especially from our own presses. The aim of it all is to promote Bible study, to build Christian character, to inform, enlist, indoctrinate, inspire, and unify our people in all the great work the Lord has committed to us. We have the **Sunday School Builder**, which carries fine reading material for everyone, plus good helps for Sunday School workers; the **Teacher**, for the teachers; the **Home Life**, for use by the Cradle Roll and Extension Departments. These issues also carry very rich and worth-while reading for anyone: the **Training Union Magazine**, very needful and helpful for Training Union workers; our Missions magazines, **The Commission** and **Southern Baptist Home Missions**, which keep us informed about our missions activities at home and abroad. All of these are published monthly and are available either through our churches, or by individual subscription. The **Church Administration** is a relatively new-comer to most Baptists and contains information in all areas of the total church program.

Other publications are the **Church Library**, the **Church Musician**, the **Junior Musician**, and **Church Recreation Magazine**.

In addition, we have our graded Sunday School and Training Union literature. There is also literature provided for all phases of the work of the W.M.U., G.A.'s, Y.W.A.'s, Sunbeams, R.A.'s, and Brotherhood

Published here in our own state are **Charity and Children**, the **Biblical Recorder**, and **N. C. Baptist Homes Bulletin**.

This fine Christian literature published by our Baptist presses should be in every home.

EVANGELISM

William D. Saunders

Our record in evangelism must be improved. We are simply not reaching the lost multitudes with the glorious good news of Jesus Christ. While our number of baptisms for the year just past might be improved over the previous year's figure, we must all admit that this number should be much higher.

The winning of souls in today's world is certainly not an easy task. Satan has a formidable array of weapons in his arsenal and he is an expert in using each of them. If we are to snatch souls from his grasp, we must be deeply moved with compassion for them and completely dedicated to Christ and to the task that is ours.

We have been promised God's power and God's presence as we labor for Him in this world. Could it be that we have been satisfied with less than God would give us? Could it be that a subtle feeling of self-righteous complacency has kept us from attempting great things for God in evangelism? And could it be that this same complacency, coupled with a lack of great faith, has kept us from expecting great things from God in this same field?

As we enter a new year, let us offer ourselves anew to God in this great work of evangelism. Let us—in our personal lives, in our churches, and in our association—determine that this year will be the greatest we have ever known in this work. Let us give ourselves **completely** to the winning of souls.

THE EXECUTIVE COMMITTEE

D. Harding Caldwell

The Executive Committee held five meetings during the associational year with an average attendance of 37 from 23 churches. Routine business and various reports made by various committees and department heads required most of the time allotted for these meetings.

The Committee voted to eliminate the evening session of the annual meeting of the Association this year. It is the opinion of many that this would be better than to crowd the whole program into one day, consisting of three sessions, as was suggested at last year's meeting.

FOREIGN MISSIONS

Kenneth M. Bowen

"Southern Baptists must measure our mission undertaking by our potential—not by what we or others have done . . . We must measure what we are doing by the crisis of our day. This is the day of destiny."—B. J. Cauthen.

MISSIONARY PERSONNEL: Appointments totaling 195 during 1963 and with those appointed from January to August 1, 1964, bring the number of foreign missionaries in active service to 1,877 including 27 missionary associates. They are under appointment and serving in 56 countries.

WORLD EVANGELISM: Mission work is carried on through churches, schools, hospitals, publishing plants, and good will centers. The wisest investment of missionary resources is in the establishing of New Testament churches as seen in the following statistics: In 1963 the 3,943 churches and 6,999 chapels reported 540,849 enrolled in Sunday school, 41,147 baptisms, and 523,603 church members. National pastors numbered 2,822. (Figures include estimates for China).

EDUCATION: The 1,076 schools, which enroll 170,536 students, are served by 6,160 national and 328 missionary teachers. Among the schools there are 39 theological institutions with 1,470 students and 6 training schools for women with 509 students.

MEDICAL WORK: Medical mission institutions include 19 hospitals and 41 clinics and dispensaries with a total of 1,426 beds. There are 57 missionary and 99 national physicians, plus 55 missionary and 209 national nurses. They served 367,156 patients during the year, of whom 34,897 were inpatients.

PUBLICATION WORK: Eighteen publishing centers produced 12,965,885 pieces of literature during 1963. These included periodicals, tracts, and books. Sixty-four missionaries and 335 nationals serve on publication staffs.

RECEIPTS: Total contributions for foreign missions were \$21,431,202.10 in 1963. Still at year's end there were requests for more than \$3,000,000 for urgently needed land, buildings, and equipment. Funds from the 1963 Lottie Moon Christmas offering totaled \$10,949,857.25.

HOME OFFICE: The Board's magazine, **The Commission**, reported an average circulation of 90,728 last year. There are 134 people working in the Board's home office, 3806 Monument Ave., Richmond, Va., 23230.

HISTORY

Mrs. Harmon James

The following facts have been reported by the churches of our association as worthy of record in this report on history for the past year. Rev. James Henson became pastor of Amity Church, July 5. Bethel Church built a fellowship hall. Calvary (L) Church called Rev. Paul J. Hopkins, Feb. 2. Craig Memorial made an addition to her house for educational purposes, and organized a Training Union. Elm Grove called Rev. Horace Crouse, March 8; also she has property on the Startown road for a new location. Rev. E. W. Friday was called to Faith Church April 26. Rev. Morris Baker took the pastorate of Friendly Chapel Church January 1, additional land was bought, a handsome church house 40 by 100 feet was erected with full basement and used for the first time Sept. 13, 1964. Gainesville called Rev. Robert Garrett November 8, clearing indebtedness burned the note in June, and organized Sunbeams, Junior and Intermediate Girls' Auxiliaries.

Leonard's Fork Church completed a pastorium. North Lincolnton Church called Rev. Ray Manus, Sept. 6, 1964. Long Shoals Church paved her large parking lot, bought a piano, and installed a pump, having dug a well.

Massapoag Church purchased 14 acres of land for a new church site. After serving a while as supply pastor, Rev. Jerry Teague was called to Mathis Chapel Church as permanent pastor April 19. Mount Anderson Church called Rev. Fred Carpenter as pastor March 1, and celebrated the clearing of her debts by a note burning service August 16. Mount Zion Church installed four stained glass windows. Part-time pastor D. Harding Caldwell became the first full-time pastor of Mountain View Church December 1. Two Sunbeam Bands, a G.A., a Y.W.A., one new WMS circle, a Brotherhood and R.A. chapter were organized.

Poole's Chapel Church has built an annex with four classrooms, two baths, and a full basement. Reepsville Church called Rev. Kenneth Bowen as pastor, built a new pastorium, carpeted and painted the sanctuary, laid concrete drives and walks, and completed the fellowship hut. Sharon Church called Rev. Earsel Robinson as pastor. Southside Church laid concrete parking areas about her old house and started a large sanctuary.

HOME MISSIONS

James E. Henson

The Home Mission Board works in all of our states, Cuba, Panama, and The Canal Zone. We have more than 2,000 missionaries in these areas besides some 600 summer student workers. Where it is possible work is done jointly with State Mission Boards to avoid overlapping of efforts.

There are seven separate programs. (1) Work with Chaplains, (2) Evangelism, (3) Associational and Pioneer Missions, (4) City Missions, (5) Language Groups, (6) Work with National Baptists, (7) Church Loans.

In North Carolina, 6.2 per cent of the Cooperative Program dollar goes to Home Missions plus special offerings such as the Annie Armstrong offering by WMU. It may be a surprise to some of us to know that in 1962 Southern Baptists gave to Home Missions for the whole year only 62 cents per church member. It is marvelous how much has been done with so little.

"Never have Southern Baptists had a greater challenge for missions in the homeland than they have today. Materialism, agnosticism, atheism, and indifference are taking a tremendous toll from the spiritual life of our nation. There is a great need for spiritual awakening." Let that spiritual awakening be reflected in our gifts and prayers for Home Missions — the winning of our own land to Jesus.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Ernest W. Friday

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. We have come from one resident and one building, since March of 1951 to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a fifth Baptist Home, to be located in Yanceyville. We are hoping to begin construction on this new project during the year. The plan will provide care for 30 additional residents. The Home at Yanceyville is our greatest single bequest given by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Bradsher.

Today North Carolina Baptists are contributing an average of \$90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from 3,400 Baptist churches.

NORTH CAROLINA BAPTIST HOSPITAL

Paul K. Drum

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest our churches have shown in the ministry of the hospital, and for our Mother's Day gifts, which make this service possible.

For more than a year there has been an average of above 700 sick people on the waiting list for beds. Many are sent from the emergency rooms to other hospitals because no beds are available.

All must pay for their medical care in so far as they can, but many cannot pay the full cost. Our hospital tries to get help from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund is the only means the hospital has for those who cannot pay for medical care.

Our hospital and medical school are beginning a large development program to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve wherever needed. The people of the Winston-Salem area have pledged more than seven million dollars to this program. Will our churches provide the money to care for those who need medical services but cannot pay for them? We who are His followers must not fail those to whom He would minister through us.

RESOLUTIONS

Fred E. Thompson

In as much as the South Fork Baptist Association met in its 86th annual session with Olivet and Leonard's Fork Baptist churches, be it resolved:

That we express to these churches our sincere gratitude for their Christian hospitality and bountiful provisions for this annual meeting.

That we express our gratitude to the program committee for arranging an informative program, and to all committees which have served the association this past year.

That we express our gratitude to Alvin Walker, our superintendent of missions, for the devotion and loyalty with which he serves the association from year to year.

That we express our appreciation to Bill Morrow for leading us in singing hymns of praise to God.

And that we express our appreciation to Mr. and Mrs. E. B. Wilkinson, Jr., of Macedonia Church for the registration file.

SCHOLARSHIP COMMISSION

Richard Hicks

Last year at our annual Associational meeting, two important actions were taken by our Association to enable churches of the South Fork Association to assist needy and worthy students in the pursuit of higher formal training.

First, the Association voted to accept the recommendation of Rev. C. H. Greene, immediate Past Moderator, to establish a Scholarship Commission, the duties and policies of which were listed on Page 32 of the 1963 Associational Minutes.

Second, that our Trustees call in the money which has been out in the form of loans to individuals; and that this money be used to make either loans to needy students or grants to them in the case of extreme need.

Your Scholarship Commission has held several meetings this year in the discharge of the duties which were entrusted to us. Your Committee mailed to each pastor a copy of the policies governing the Scholarship Commission's work and also application blanks to be used by students in their churches desiring financial assistance from our Association. Three such applications were returned to your Commission and in meeting on August 13, 1964, your Commission approved these three applications for \$150.00 each. Those whose applications were approved are: Mr. Kenneth Pittman, member of Lincoln Avenue Church; Mrs. Kenneth Pittman, member of Lincoln Avenue Church and Mr. Ted Armstrong, member of the Maiden First Church.

The amount of the loan to each student—one hundred and fifty dollars—(\$150.00) was necessarily limited this year due to the lack of funds for this purpose. However, it is thought that by the spring semester there shall be sufficient funds to grant either more substantial loans to three students, or small loans to a greater number of students. Your Commission asks that the pastors of our Association encourage those needy students within their congregations to submit their applications for the loans not later than December 1 for the spring semester, not later than August 1, for the fall semester.

SEMINARY EXTENSION

Robert W. Morrow

We sought to have an Extension Center in our association last year, but the lack of interest in it was very evident. The Center was to begin the latter part of October and three courses were to be offered. On the opening night we had four students to report for the classes and thus we decided to dispense with the idea.

In the May meeting of the associational Executive Committee it was decided to have group schools, in lieu of the extension this year, in our association. These schools would run simultaneously, one in the Maiden area and one in the Lincolnton area, offering the same courses in both schools. The Seminary Extension Committee was asked to set up the mechanics for these schools. This Committee has acted on this request and these schools are scheduled to begin November 2, 1964, at Mount Ruhama and Lincoln Avenue churches, and continue for five evenings, closing on November 6.

STATE MISSIONS

Fred A. Carpenter

State Missions is the Missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

With more than 4,650,000 people living in North Carolina it is estimated that over 2,000,000 above the age of eight are not members of any church. Almost half of all church members in North Carolina are Baptists. Therefore, approximately 50 per cent of the responsibility of reaching these multitudes of unsaved people rests squarely upon North Carolina Baptists.

State Missions is Scriptural. Luke says that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem.

State Missions is practical in that it strengthens the home base so that the lengthening of the cord into all the world will be a reality.

State Missions keeps us believing in World Missions by constantly revealing what missions can do at home.

North Carolina has a great State Mission Program; may we give it our best in money and prayer.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

Boyce Earnhardt

The Great Commission of our Lord is just as relevant to our generation as it was in the first Christian century. We are to **"Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things . . ."**

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness

daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

We are asking each Sunday School in our association to accept an enrolment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School, to participate in the associational Sunday School projects, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our Churches go.

TRAINING UNION

Melvin Robinson

Training Union events for the past year are as follows:

1. "M" Night, held December, 1963, at Mt. Ruhama. There was an attendance of 746 representing 32 churches. There were 28 pastors and 28 directors present. Music was under the direction of Emmett Turbyfill. James P. Morgan, State Training Union Secretary, was the guest speaker.

2. Youth Night was held at Antioch with Thomas McGraw formerly of Maiden and presently Vice President of Gardner-Webb college as the guest speaker. He brought a timely message, "Being Yourself." The attendance was 97. J. C. Beal, Director of Young People, was in charge of the program.

3. Tournaments were held at Center View with participants in Junior Memory Work, Intermediate Sword Drill and Adult Bible Reading. We would encourage all churches to stress this type of training.

4. The Monthly Workers' Conference in May featured the Training Union. The meeting was held at Mt. Ruhama. State Training Union workers from Raleigh were in charge of the department conferences.

5. The August meeting was given over to emphasis on Evangelism.

6. See digest of letters for enrolment and attendance records.

May I urge each of you to stay up to date with current Training Union materials. This is essential in order to know what is going on in Training Union work. Also, may I thank each of you for your prayers, assistance and support in carrying on in the Training Union work and I beg you to support and use Training Union as a means toward a more effective Christian witness through the local church.

Julius M. Sherrill

ASSETS:

Value of Missionary's Home	\$18 000.00
Investments secured by notes and mortgages	2,900.00
Balance in Associational Treasury, Sept. 18, 1964	3,280.07
Value of Office Equipment:

The trustees have been unable to call in the \$2,900.00 to this date. We have been working on this task of calling this money in and we have a promise of payment in full by both parties during the month of October.

At the present time we have \$20,000.00 replacement value fire insurance on the Missionary's home: \$6,000.00 on contents belonging to the South Fork Association and the Missionary. This includes extended coverage and liability. Replacement value of Home valued at \$25,000.00

Joyce Schronce of the Amity Church was awarded the \$250.00 scholarship for the second year. This will be the last of the scholarships offered on the old plan. The Scholarship Commission will handle all applications in the future. See the report on the Scholarship Commission for further information concerning student aid.

AUDITOR

W. R. Abernathy

This is to certify that I have checked the books and accounts of the treasurer, Mrs. Glenn Morrison, and found them in good order. Mrs. Morrison is to be commended for her fine work.

I would like to take this opportunity to thank the Association for affording me the honor of auditing the books these past few years. Also, I ask your prayers and blessings as I become associated with the Brushy Mountain Association, at the First Church in North Wilkesboro, N. C.

CHILDREN'S HOMES

E. Guy Longshore

North Carolina Baptist Children's Homes comprise three well established centers: Mills Home at Thomasville, Kennedy Home at Kinston, and Odum Home at Pembroke. Mills Home was the first, set up in 1885. A new home was set up in Chapel Hill for the care of children needing specialized supervision and medical services. "The newly acquired Chapel Hill Home was dedicated in appropriate services on Sunday afternoon, November 10, 1963. A unique arrangement has been finalized with the Medical School of the University of North Carolina, Memorial Hospital and community agencies, institutions and resources. From every indication this facility will provide excellent care for children needing this kind of help."

For many years the homes depended on once-a-month offerings from Sunday Schools for the main support. On January 1, 1955, these homes went into the Cooperative Program, and have been receiving basic support from this source with a great Thanksgiving Offering as a bonus. About 33 per cent of the support comes through the Cooperative Program, 30 per cent through Thanksgiving Offerings, 16 per cent through Once-A-Month Offerings, and 21 per cent from other sources.

To many, this ministry is the apple of the eye. It does not have to be "pushed." But we must exercise care that in the flood of other very worthy causes we do not neglect the Thanksgiving Offering where almost a third of the financial support derives.

WOMAN'S MISSIONARY UNION

Mrs. Clyde A. Lawing

The Lord said unto Moses "What is that in thine hand?" He says the same to women today. WMU women hold Aims for Advancement in their hands. These are ideals like the stars, we never reach them fully, but we chart our course by them. This work is our high calling of God.

Take a look if you will at women of the Bible. They were the last at the cross, the first at the tomb, and the first to tell of the resurrection. Dare we lose sight of these wonderful privileges, when in our hands are such instruments as Prayer, Responsibility, Giving, Witnessing, Leadership? These together can mean Service in the Kingdom of God no WMU woman must miss.

A signal honor comes to our association this year. We have an Honor WMU at Mount Ruhama Church, the first in the South Fork, and one of a very few, some half dozen, in the State.

Our challenge is high, so are the stars. God placed them there for all. He will help us reach our Aims for where there is a worker there also is the Master.

IMPORTANT NOTICES

1. No auxiliary or department meetings are held during the annual associational sessions. Minutes of the annual spring WMU meeting appear in this publication following the proceedings section of the district association.

2. No church has an assistant pastor or a minister of education on a full-time basis.

3. The calendar of activities will be prepared by the activities committee and published at a later date.

4. Written reports appear in a body, arranged alphabetically as to headings, in the section following the WMU proceedings. Each bears the name of the committee chairman only who submitted the report. A few have been shortened to conform to constitutional regulations.

5. In the body of written reports each has been properly approved and is presented without comment on such action.

6. The association has no denominational school, hospital, orphanage, encampment, state or convention-wide board or agency located within its area.

7. The Post Office Department requests the use of Zip Code numbers now and, it is understood, will demand such use beginning January 1, 1967. We submit here zip codes for offices commonly in use in our association.

Article II. MEMBERSHIP

Section 1. The Association in session shall be composed of the duly-elected messengers from the cooperating Baptist Churches in the South Fork Baptist Association and the duly-elected messengers from the Baptist Churches which may become cooperative in the future, as hereinafter provided.

(1) Three for the first one hundred members or fraction thereof, and one for each additional one hundred members or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All Pastors of Churches of the Association, and the Associational Missionary, shall be recognized as messengers, in addition to those specified above.

Article III. RIGHTS OF CHURCHES

Churches seeking to seat messengers in the Association shall apply to the Church Extension Committee prior to the Annual Meeting of the Association, giving evidence of their faith and order and their agreement to be received under the watch care of the Association for a period of one year. It is understood that during this period such Churches will be accorded all of the services of the Association and its privileges, with the exception of the right to seat voting messengers. Upon recommendations of the Committee and the approval of the Association by two-thirds majority of the members present and voting, the Church or Churches shall be received under the watch care of the Association.

The Church Extension Committee, during the year of watchcare, shall make a thorough investigation of the petitioning church as to the doctrines, practices, and support of the total program of work and shall report on the petition at the next Annual Session of the Association, recommending one of three courses of action:

- (1) Acceptance of the church into the Association.
- (2) Rejection of the petition.
- (3) Or, further probation.

Majority vote of the messengers present shall be necessary to sustain the report of the Committee. In the case of those churches which are received into the Association, they shall be authorized to seat duly-elected messengers with voting privileges.

Article VI. POWERS AND PREROGATIVES

The Association, when in session, shall sit as an advisory council, and shall have no power to infringe on any of the internal rights of the Churches; it may advise with the cooperating Member Churches and recommend measures of usefulness for their adoption, and may claim for itself, its objects, and its recommendations, the highest consideration.

PROCEEDINGS
EIGHTY-SEVENTH ANNUAL SESSION
SOUTH FORK BAPTIST ASSOCIATION

OCTOBER 7, 1965

Thursday Morning

1. Messengers began arriving early at Mountain View Church and the house looked as if it were full before the program began when moderator D. Harding Caldwell called the assembly to order promptly at ten o'clock. Not since 1952 had we gathered in wet weather, but a light rain drove us inside as we arrived. We met at Gainsville in 1952 in rain and in 1959 when we met at Long Shoals it began to rain about noon. Clouds began lifting in early afternoon and Mount Anderson came into view plainly.

2. The program began really with the ringing of the church bell, then the moderator's call to order, and the singing of "All Hail the Power of Jesus' Name," directed by Emmett Turbyfill of the host church with Mrs. Donald Caldwell at the piano.

3. The theme of the program was "Proclaim and Witness." The drawing at the head of this section is a reproduction of the theme display done in blue with the letters and circle in white styrofoam. It was four feet high and it was suspended at the top of the baptistry in the divide of the curtains.

4. For the opening devotional service M. L. Bailey read Mark 15:15-18 and led in prayer.

5. Moderator Caldwell, being host pastor, brought words of welcome and made all necessary announcements at this time including plans for hasty arrangements to serve dinner in the house.

6. Robert Garrett who with Mrs. Garrett was in charge of registration announced enrolment of 225 attendents, a hurried calculation. He moved that these and others attending later constitute the 87th annual meeting of the association. The motion carried.

7. New pastors were presented at this time by E. W. Friday, dean of pastors in respect to tenure of pastorates. J. C. Hill, Alvin Hoyle, and L. R. Denton were recognized. Ray Manus was mentioned but he could not be present.

8. Speaking for the committee James Henson moved that the printed program now in the hands of the people be the order of the day subject to any necessary change. The motion carried.

9. The digest of letters was presented by the clerk with the favorable comment that we had made gains in everything but baptisms. He asked for help in making any corrections needed.

10. C. E. Parker explained the book of advance reports and moved that these written reports be approved in mass except where recommendations were involved. This motion carried after several explanations.

11. C. Gordon Maddrey of Raleigh spoke on the Baptist Foundation.

12. Christian Education was reported by Frank Taylor who introduced Dr. Budd Smith, president of Wingate College, to speak on the subject.

13. The annual sermon was preached by R. W. Morrow and at his request Frank Taylor read Matthew 28:16-20 and then prayed. The alternate, W. D. Saunders, was away in school. This was followed by a vocal solo sung by Udean Burke of Newton First Church where he is minister of music. He was accompanied at the piano by his sister, Mrs. Austin Josey.

14. "Bill" Morrow used as subject of his message, "Proclaim and Witness." In his sermon he referred to the Command of Jesus Himself, the Urgency of the Situation, the Glory of the Message, and the Conviction that Jesus Is Lord. He reasoned that if the disciples of the first century went out into the world so motivated, then should we also.

15. After singing "Rescue the Perishing" the morning session came to a close with prayer by Herbert Miller who also expressed thanks for the food about to be served.

Thursday Afternoon

16. Special arrangements were made to serve a superbly delicious dinner in an assembly room and the quality of food was a discussion piece in all parts of the education unit where fellowship was enjoyed in "close communion." Not only was it a delicious meal but its serving was an art under the circumstances for it was to have been served out of doors.

17. After a song service Guy Longshore led the devotional service using for the lesson I Corinthians 1:18-25.

18. In the period for business it was announced that total registration had reached 283. Richard Hicks presented the proposed changes to be made in the constitution for a vote on Friday. He also made the following motion which carried: "that we ask the committee on constitution to study the advisability of condensing our annual associational meeting into three sessions to be conducted in one day, or that if maintaining the two days of meeting, these be held earlier in the week.

19. The budget was presented by Eddie Reynolds. A motion was made by Robert Garrett to amend the budget to provide a fee of \$200 for the clerk rather than \$100. This amendment carried. The amended budget was then approved.

20. It was further recommended by the finance committee that we make no request for aid from the State this year, and that \$1,000 be added to the budget pending carriage of a forthcoming amendment requiring it. Furthermore that \$150 be added to the budget to supplement a scholarship need, our funds have been exhausted, and that \$70 be added to the amount allowed for hospital insurance provided for the superintendent of missions. These proposals were voted separately but all provisions were approved.

21. Lowell Soderman from Baptist Hospital spoke on our work there being introduced by Paul Drum.

22. An offering was taken for the American Bible Society directed by Earsel Robinson who spoke on the worthiness of the offering. The amount contributed to this work was \$65.77.

23. Mr. and Mrs. H. P. Dellinger of the host church were recognized by the chair. They were celebrating their golden anniversary and it was explained that the basket of golden mums on the table at front were in their honor, placed there by members of the family.

24. After a hymn the sermon on evangelism was preached by Lee Roy Denton; his subject, "Grass Roots Evangelism." He read from Acts 1:1-11 and referred to the Shortsightedness of the Disciples, the Return of Christ, and the Need to be Heard.

25. The first day benediction was by C. B. Bobbitt.

October 8, Friday Morning

26. The second day meeting was at Mount Zion Church and the program began at ten o'clock, a more convenient hour than the conventional 9:45 A.M. On the ringing of the church bell R. W. Morrow who directed music for the second day announced the first song, "Come Thou Almighty King."

27. Eddie Reynolds had the devotions and used for his Scripture lesson Acts 11:22-26; 13:1-5.

28. Pastor Earnhardt's absence was explained. He had been in bed sick for more than a day but would attempt to be present for his part on program in the afternoon.

29. E. W. Friday reported on Children's Homes and presented Roger Williams who spoke on the subject.

30. Kenneth Neuenschwander spoke on Brothedhood. He was introduced by Paul Hopkins.

31. Morris Baker was absent on account of a sick grand daughter. In his absence the moderator introduced Guy Cain who spoke on the work of the Annuity Board.

32. After a song Mrs. Robert Garrett, vice president of W.M.U., made the report on Woman's Work. She proudly announced that Mount Ruhama Church again had an Honor WMU.

33. William Poole spoke on the Homes for the Aging. He was introduced by Thomas Harris.

34. In conducting the memorial service, Richard Hicks read the names of the dead for this year, called for a period of silence, and led in prayer.

35. Among announcements at this time was a report by Bob Garrett that 162 had registered for the day at this time.

36. After a song Eugene Elmore presented Tom Greene who spoke on stewardship using Luke 16:10-11 as a text.

37. After singing two stanzas of "Blest Be The Tie" Charles E. Parker led the closing prayer and expressed thanks for the food about to be served.

Friday Afternoon

38. The noon meal was a repeat performance of the former day by ladies of Mount Zion Church. Plates were served in the hut and those who wished went to tables outside to eat. Comparisons are odious and in this case impossible, both churches fed us "too well."

39. The afternoon session opened with the singing of the Coronation, and began on time - one o'clock.

40. The devotions were conducted by A. R. Waters, substituting for Ernest Richards who was attending Fruitland B. B. I.

41. At this time the ailing pastor, Boyce Earnhardt, brought words of welcome on behalf of Mount Zion Church.

42. Among business items it was voted to send a birthday greeting to L. A. McClure who was celebrating his 75th birthday the following Sunday. It was explained also that the \$50 allotments in the budget were not to replace special offerings usually taken at annual meetings for the American Bible Society and the Christian Action League.

43. On motion by Boyce Earnhardt the constitutional amendment presented Thursday by Mr. Hicks was unanimously approved.

44. Paul Drum reported for Place and Preacher committee and made some personal remarks about his retirement and pleasure in serving the association. See the cover page for results of his reports.

45. In giving the report for the resolutions committee, Fred Thompson asked the body to stand in appreciation for the services of outgoing moderator, D. Harding Caldwell. This was done enthusiastically.

46. The report of the nominating committee was made by Frank Taylor. These officers appear in the directory of this minute. Some additions were made by necessity at the first Executive Committee meeting.

47. Only one name was presented for any of the four offices to be filled from floor nominations. They appear also in the directory. Alvin Walker asked to be relieved of the clerk's work last year and to guarantee thoughtful consideration of a replacement this nomination was referred to the nominating committee who presented the name of D. Harding Caldwell. No other name was offered from the floor.

48. The report of the committee on committees was given by Eugene Elmore and approved. These names appear in the directory under "Standing Committees."

49. R. W. Morrow presided while nominations were made for a clerk.

50. The report on scholarship commission work was made by R. E. Hicks and approved with all recommendations. See the written report.

51. The History submitted by Mrs. Harmon James was presented by the clerk.

53. Earlier in the afternoon an offering was taken for the Christian Action League amounting to \$36.44.

54. Mrs. W. G. Bandy presented a report on South Mountain Camp and spoke to the report in the absence of a guest speaker.

55. At this time the four officers elected from the floor were installed by retiring clerk Alvin Walker. In response the retiring moderator urged support of all our work and co-operation with the new officers.

56. T. A. Lineberger arrived at this time to speak to the South Mountain Camp report. He had gone to Hull's Grove Church first. He was granted some time for this.

57. After a song the closing message was brought by host pastor, Boyce Earnhardt - a doctrinal sermon and his subject was Salvation. His theme was the dominance of Christ in the life. He spoke of Christians as misfits in secular society, and as expected to make sacrifices.

58. The meeting adjourned with prayer led by the new moderator, Rev. Mr. Hicks.

59. This was a very smooth session throughout, no controversies. Mount Zion Church was an alternate and relieved the Hull's Grove Church who was to have entertained the association Friday but had to be excused because her well failed.

60. There was a total registration of 449; 283 the first day, 166 the second day. As usual there were some who did not register.

PROCEEDINGS

Fifty-sixth Annual Session

WOMAN'S MISSIONARY UNION

South Fork Baptist Association

April 6, 1965

Gainsville Baptist Church was the scene on Tuesday, April 6, 1965, of the 56th Annual Session of Woman's Missionary Union of the South Fork Baptist Association.

Directed by the president, Mrs. Richard E. Hicks, the meeting had as its theme, "O Worship The King," projected very meaningfully throughout both afternoon and evening sessions by means of an attractive crown, loftily suspended in the background.

Following a period of worship through hymn-singing and special music rendered by Mrs. John Cook, the "Call To Prayer" was conducted by Mrs. W. L. Abernathy.

Reports, recognitions and announcements were followed by a business session when officers for another year were chosen. Mr. J. N. McFadden brought a message in song, "So Send I You," after which Rev. Alvin Walker, our Associational Missionary, offered a prayer and gave thanks for the evening meal for which the meeting adjourned.

The evening session was both inspiring and worshipful, as Mrs. Charles Estep of Olivet Church conducted a most timely and thought-provoking devotional with the help of a number of ladies from her church, thus preparing the hearts and minds of those present for the remainder of the program.

A highlight of the evening was the message brought by Mrs. Keith Edwards, missionary to Nigeria. Mrs. Edwards, her husband and family are presently on furlough in the States, visiting their families, while busily engaged with speaking appointments. Her message, illustrated with slides of scenes from the land of her labors, was a thrill to our hearts, as she told of their work with the Nigerians.

Dedication of officers and the benediction by Rev. Robert M. Garrett brought the meeting to a close.

Mrs. Harmon James
Recording Secretary

Post Session Information: The next annual session will be held at Southside Church, April 5, 1966.

WRITTEN REPORTS

The following are written reports for use in this publication. Some have been shortened to comply with the 300 word limit required by our constitution. With few exceptions they were presented in booklet form approved as a whole in the beginning of the first session. All have been properly approved.

ACTIVITIES COMMITTEE

Herbert P. Miller

In keeping with the recommendations of last year's Activities Committee, your Activities Committee planned and promoted eleven meetings (two yet to be held). Supper was served at three of those meetings and will be served at the December meeting at Southside. The place of meeting and the emphasis of each monthly meeting planned were as follows:

January	Evangelism	Reepsville
February	Sunday School (Supper)	Olivet
March	Stewardship (Supper)	Lincoln Avenue
April	Training Union (Called Off)	Mt. Anderson
May	Brotherhood	Calvary, Lincolnton
June	Sunday School (Supper)	Gainsville
July	Training Union	Craig Memorial
August	Music	East Maiden
September	Sunday School (Called Off)	Boger City
(Sunday School Meeting scheduled for October 12 at Southside) 7:30-8:30		
November	Evangelism	Long Shoals
December	World Missions (Supper)	Southside

The Activities Committee submits the following recommendations to the Association concerning our monthly meetings for the next calendar year:

1. That during 1966, we continue our previous plan of having one meeting each month, with the exception of October, and that supper be served at four of these meetings.
2. That the Activities Committee be given the privilege of assigning the programs, with emphasis on whatever phase of our work the Committee deems wise.
3. That the head of each organization be responsible for the program assigned to them.

AMERICAN BIBLE SOCIETY

Earsel L. Robinson

If the people of the world are to know Jesus Christ, the one Hope of men and nations, they must have the Bible. Each person must have the Bible in his own language, because it speaks to his heart as no other language can. Here then is the two-fold purpose of the American Bible Society. The Scriptures are published without note or comment and are distributed without profit, usually below cost.

During the year of 1964, the American Bible Society in its 148th year of service distributed 48,675,617 copies of scriptures. Of this number 23,333,705 copies went to 130 countries overseas. This leaves 25,341,912 copies distributed at home. During 1964 the Society brought to the 1232 mark the number of languages and dialects into which the Bible has been published. The whole Bible has been published into 236 languages. The complete New Testament into 287 languages; and at least a complete Gospel or other book 707 languages.

During 1964, out of 74 Denominations, Southern Baptists were first in gifts to the American Bible Society. Southern Baptists, 10,393,039 strong, contributed \$190,334.00 to the Society budget of \$5,860,000.00.

Southern Baptists support the work of the American Bible Society because they serve mission work and our missionaries depend upon the Society for copies of the Scriptures needed in their field work.

Now as we view the American Bible Society budget of \$6,348,000.00 for 1965, let each church in our great Southern Baptist Convention give to this worthy cause, then perhaps it could be said, "That Southern Baptists lead double in gifts to the American Bible Society."

ANNUITY BOARD

Morris Baker

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenomenal success with more than 10,000 active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of \$3.34 to \$10.00 per month. It is still open for membership.

The Health Benefit Plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan was October 1, 1965. Those who failed to get their applications in by Sept. 1, now have another chance. The application must be in by December 1, with coverage beginning on January 1, 1966.

Members In Annuity Board Plans - Today more than 16,352 churches are in the Protection Program for their pastors. There are 127 of the 176 educational institutions, hospitals, children's homes, Homes for the aged and other southwide agencies protected by one of the Annuity Board's Programs. This means that more than 25,000 members are in the Annuity Board's retirement plans. There are 7 states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches participating. There are 16 churches in the South Fork Association participating in the plan.

The Annuity Secretary for North Carolina is Guy Cain. For further information you may contact him at 301 Hillsboro Street, Raleigh, North Carolina.

ASSOCIATIONAL MISSIONS

Alvin A. Walker

Associational missions applies to all that we do as an association, but this report deals with the activities of the superintendent of missions. It includes 64 messages, teaching 36 Sunday School lessons, teaching four WMU study course books, 4 radio talks, 1337 conferences, 28 news releases on 7 stories, 509 circular letters and cards in 27 mailings, 8265 bulletins (Posts) in 12 issues, 114 pieces of first class mail, 6 five-day study courses, 3 Bible Schools with 3 conversions, and 80 meetings attended with minor participation.

He helped two churches in deacon ordinations, attended 15 state promoted meetings, was judge in two regional tournaments, helped in two associational GA meetings, spoke at Massapoag ground-breaking, conducted a Lord's Supper in absence of pastor, opened Maiden Town Hall meeting with prayer several times, took part on Round Hill Academy reunion at Union Mills, moderated one church business conference, and served as interim pastor part time for two churches.

He was guest speaker on Catawba River Association program, made and mounted two theme displays for annual association and served as clerk, was clerk of council for one minister ordination, prepared 280 calendars of activities and made distribution, led one Sunday School associational adult conference, led junior conference in Bible School clinic, took part on annual WMU program, participated in associational evangelistic movement, and traveled 8023 miles officially.

We now have three extension type missions, Oak Grove for Southside Church, Coral Park for Leonard's Fork Church, and Westport for Macedonia Church. Olivet has a Sunday School class type rest home mission.

AUDITOR'S REPORT

Mrs. Charles Sanford

This is to certify that I have checked the books and accounts of the treasurer, Mrs. Glenn Morrison, and have found them to be in order and in excellent condition.

BROTHERHOOD

Paul J. Hopkins

During the course of the Associational year, the Brotherhood held two meetings. The first meeting was held last fall at the Mountain View Church, with emphasis on Royal Ambassador work. Gaither Shrum, Royal Ambassador Leader for the association, was in charge of the fine program.

The second meeting was held last spring at the Calvary Baptist Church, Lincolnton, with the Brotherhood president in charge. We had an inspiring program with Reverend Edwin Bullock, Brotherhood State Worker, as special guest and speaker.

Our meetings, although reasonably well attended numerically, were not well attended from the standpoint of the number of churches represented. We respectfully urge each pastor to in turn urge his Brotherhood leaders to consult the Associational calendar in order that the Brotherhood members may be made aware of the time and place of meetings.

In our Association, we have about 525 men enrolled in the twenty-four churches which have a Brotherhood. The Royal Ambassador work seems to be gaining. There are now about 325 boys enrolled in the various chapters of our Association.

There will be hope for world evangelization as long as there are men and boys in our churches who organize themselves for the purpose of becoming informed about world needs and who are willing to become personally involved in World Missions.

CHILDREN'S HOMES

Ernest W. Friday

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars (\$310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. & Mrs. Leland J. Sadler of Anderson, S. C. was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

CHRISTIAN EDUCATION

Frank Taylor

During the past year the contribution of Baptist Colleges to Christian lay-leadership in church and community has been strongly emphasized. The fall semester enrollment of our seven colleges was 14,395. To date they have graduated more than 45,000 men and women. At the present time more than 500 students in our Baptist Colleges are volunteers for full-time Christian service and more than 100 of these volunteers want to be home and foreign missionaries.

At the 1964 State Convention, the Christian Education Day Offering became an approved offering on the par with all other special offerings in our convention. We sincerely believe that one of the ways to help solve the financial problem of our Baptist Colleges would be to increase substantially the Christian Education Day Offering.

Again, we must emphasize that the Cooperative Program is the lifeline of Baptist work and this is no less true of Baptist Colleges. The Cooperative Program is still the best way to support your schools through your church.

CHRISTIAN LITERATURE

Charles N. Cranford

The Bible is the beginning of all Christian literature: "In the beginning God..." It is basically fundamental to all Christian publication, whether it be books, articles, quoted sermons - to inspire, enlighten and enrich us individually in our Biblical Faith; regular, or special periodicals - to implement and train us in witnessing to our faith; or news media - to tell us what others are accomplishing, how the total work is progressing, and to give us a Christian's view of the events of the world of the present day. This last is something we cannot always depend on gaining from all secular news media, concerning Christianity and its work, unless the events are drawing controversy scandal, or are of sufficient proportions to be newsworthy because of their size and power.

So, first of all, the Bible! Let us read and study faithfully, and encourage all others in doing so. Then —

We have fine Baptist literature published within our own state: **The N. C. Baptist Homes Bulletin**, **Charity and Children**, and the **Biblical Recorder**. We also have fine graded literature for the Sunday School, Training Union, WMU and its auxiliaries, the Brotherhood and Royal Ambassadors. In addition there are the **Teacher**, **The Builder**, **Home Life**, **The Musician**, **Junior Musician**, the **Church Library** and **Church Administration**.

Commission and **Home Missions** magazines should be in every home, especially where there are young people who look for ways to invest their lives.

So let each home make this wide array of fine Baptist Christian literature constantly available to every individual in the household. The effort and money spent, for the mind that is filled daily with the teachings of the Bible, as put into life and action through the Christian printed page, will have little time and room left for the obscene, the worthless, and the damaging sheets so easily picked up at the news stands, and through the mails.

COOPERATIVE PROGRAM

Eugene B. Elmore

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists.

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor—that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere. "The Cooperative Program has given significant support to every state and Conventionwide cause -- during the last sixteen years it has provided more than \$100,000,000 for the Foreign Mission program of Southern Baptists. Truly, it IS the "life-line" of our total cooperative witness and service."

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world -- more than 1300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2 million tithers by October, 1966. A free "Planing Kit" for tither enlistment is available from our office for every church or pastor adopting a definite goal.

According to available records South Fork Association gave \$30,534.41 to the Cooperative Program during the first half of this calendar year. Thirty-five of our churches shared in this amount. Twelve of our churches gave nothing to this cause during the same period of time.

We recommend:

1. That the churches participate in the "Tithe Now" program.
2. That we engage regularly in prayer for the cooperative causes and give special emphasis to prayer for those causes during the October Cooperative Program Emphasis.
3. That every church plan a Stewardship Program in the Sunday School Assembly following the fourth prayer service of the October Cooperative Program Emphasis or any month suitable to the local church.
4. That the churches give regularly through the Cooperative Program.

EXECUTIVE COMMITTEE

D. Harding Caldwell

The Executive Committee held its four scheduled meetings during the year with an average attendance of 33 from 19 churches. Routine business and various reports made by various committees and department heads required most of the time allotted for these meetings. I should like to encourage a greater interest on the part of each pastor and each lay member of the Executive Committee in our total Associational Program. The attendance record reveals that on an average, less than half the churches and approximately one-third of the Executive Committee were represented at these quarterly meetings.

EXTENSION COMMITTEE

A. R. Waters

We had one meeting of the Extension Committee this year with two members of the committee present, Gaither Shrum and myself. We discussed the projected work at the Coral Park Mission. Since then the work is moving forward under the able leadership of Brother Shrum.

FOREIGN MISSIONS

Fred A. Carpenter

Foreign Missions is a growing work and perhaps the most cherished of all our efforts. Figures are constantly changing, but we can safely say that now we have more than 2,000 serving in at least 58 countries, and new appointments are coming up regularly.

There is every reason to be encouraged, but no reason to boast. The ratio of male missionaries to female missionaries, for example, is indeed disappointing, and the per capita foreign mission gift is ever too little.

To meet the crying need for more missionaries, and especially for medical missionaries, we have started some auxiliary programs such as Missionary Associate - one term nurse, Special Project Nurse - young nurse with specialized training for a two-year term, and Missionary Journeyman - a two-year missionary. These people must meet certain requirements, but they are less than those for appointment for life.

Before we reach the goal of 5,000 missionaries every church must get under the burden of prayer for God to call our sons and daughters into these fields. And, if we invest our children it will be easy to invest our money.

FOUNDATION

C. Gordon Maddrey

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from \$60.11 to approximately \$450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are business men who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. The years ahead look bright. Call on us if we can help you.

HISTORY

Mrs. Harmon James

From letters sent in from the various churches we glean the following bits of historical data. Amity has completed a hut. Antioch also has a hut built between the church and the pastorium. Bethel has paid for her electronic organ. Calvary at Lincolnton finished her education house in December with a kitchen and all utilities. Her vestibule also was extended and the parking area was paved. A new education plant went up at Cedar Grove where the old one had been torn down providing much more and much better space. The new house at Center View was paid for and a dedication service was held September 12 in connection with a golden anniversary celebration. Crouse added rest rooms. A bedroom and a carport were added to the pastorium bought about the first of the year by Faith. Gainesville voted January 31 to provide the choir with robes. Leonard's Fork began a Sunday School mission, April 18, in the Coral Park Housing Development and started a house which was used for the first time September 19 though it is not completed. Rest rooms were added to the North Lincolnton building and improvements were made on the church and pastorium as well as the grounds. Temple bought a communion table and new pews. The First Church of Maiden voted to demolish the sanctuary and replace it with a larger sanctuary to cost \$250,000. A ground-breaking service was held May 23 by Massapoag and a new house is well under way on a new site recently purchased.

Rev. Alvin Hoyle was called July 18 as pastor of Mathis Chapel. A "T" is being erected across the back of Mount Anderson providing 7,600 square feet of floor space, and it will house a baptistry. Mount Ruhama started an education building with a breezeway connection to the old house. Stained

glass windows were installed in a section of Mount Zion, and the entrance to the basement was closed. A porch was built to the front of Mountain View, and the old hymnals were replaced with "Christian Praise" hymnals. Piney Grove started building a new house on a new site, four and six tenths acres, about a mile south on the same road. The present house will be moved and used for education purposes. Rev. G. D. Danner was called as interim pastor. Grady Parker was employed by Reepsville as minister of music. Also a cement house was erected for storage purposes. River View called Rev. Lee Roy Denton as pastor February 28. A church constitution was developed and adopted by Salem. Southside went into her new sanctuary June 6.

HOMES FOR THE AGING

Thomas B. Harris

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be a capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues - the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded \$96,000.00. Through these gifts we were able to supplement from 80 to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

HOSPITAL

Paul K. Drum

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center last year, and more than 19,000 were hospitalized for bed care. They came from all sections of our state, and out of all kinds of financial circumstances, and needed specialized facilities and skills as those found at our Baptist Hospital. There were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians,

pastors and other Christian workers, in our communities and churches and on the mission fields around the world. These schools are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to the seriously ill and in meager circumstances lie at the very heart of its total work. All of our Mother's Day Offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free services to those who need help. It is a high privilege for us in our churches to minister to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

RESOLUTIONS

Fred E. Thompson

In as much as the South Fork Baptist Association met in its 87th annual session with Mountain View and Mount Zion Baptist Churches, be it resolved:

That we express to these churches our sincere gratitude for their Christian hospitality and bountiful provisions for this annual meeting.

That we express our gratitude to the program committee for arranging an informative program, and to all committees which served the association this past year.

That we express our appreciation to Bill Morrow, Emmett Turbyfill, Mrs. Donald Caldwell, and Mrs. Austin Josey for their assistance in leading us in hymns of praise to God.

That we express our appreciation to Rev. and Mrs. Robert Garrett for the registration of messengers and visitors to the association.

That we express our appreciation to Rev. Harding Caldwell, our Moderator, for the diligent and capable leadership which he has given us these last two years.

SCHOLARSHIP COMMISSION

Richard E. Hicks

In 1963, the South Fork Baptist Association voted unanimously to establish a Scholarship Commission, the duties of which are to use the money, previously out in the form of loans to businessmen, in granting scholarship loans to needy college students, or grants to them in the case of extreme need, and to solicit additional funds for this purpose.

In December of 1964, your Commission received and considered applications from the following: Mr. Kenneth Pittman, Mrs. Kenneth Pittman, members of the Lincoln Avenue Church; and Mr. Ted Armstrong, member of the Maiden First Church. Loans in the amount of \$150.00 were granted each of these students.

In August of this year (1965), applications from the following were received and approved: Mr. Kenneth Pittman, Mrs. Kenneth Pittman, and Mr. Tony Darnell, all members of the Lincoln Avenue Church; Mr. Ted Armstrong, member of the Maiden First Church; and Rev. Darrell Saunders, member of Hull's Grove Church. Each loan was for \$150.00.

Your Commission wishes to advise the Association that the funds for this program of financial assistance to needy students are now very limited. Should we grant as many as four \$150.00 loans for the spring semester, 1965, then our treasury would be depleted. In view of this, we recommend the following:

1. That the first Sunday in April be designated by the Association for a special offering to be received in the local churches for this cause; and that special offering envelopes be made available to the churches for this purpose.
2. That an item be added to our Associational Budget for the Scholarship Commission, in the amount of \$150.00.
3. That our pastors and church clerks assist students from their churches in complying with the requirements for applying for a scholarship loan; and particularly with item 6 in the commission policy which stipulates that applications "must be in the hands of the Commission not later than August 1st and December 1st; and with Item 9, which reads in part: "...each application must be accompanied by a letter of recommendation from the church..."

SEMINARY EXTENSION

Robert W. Morrow

In the past two years there has been very little interest in the Seminary Extension Course in our association. In view of this, the committee asked the Executive Committee for permission to have group schools, in lieu of the extension this year, in our association and this permission was granted. In these schools, running simultaneously at Mt. Ruhama, and Lincoln Avenue churches, we enrolled 356 students.

In view of the demonstrated interest in the group schools in our association; the committee has again asked for permission to sponsor group schools in our association this year. The Executive Committee granted this permission in the May meeting and plans have been made to have these schools during the week of October 25th to 29th at Lincolnton First and Mt. Ruhama churches.

STATE MISSIONS

Fred Thompson

North Carolina Baptists are involved in extensive Christian Mission Ministries throughout the state under the direction of E. L. Spivey. The work of the Director and the purposes of the Convention's program are:

1. To survey and aid in the establishment of new mission points and new churches in North Carolina. This often involves financial assistance and training responsible leaders.
2. Assisting in the development of the underdeveloped churches in the Convention through the Church Development Department.
3. To work with the associational missionaries in the task of strengthening the district associational work which is a vital unit in Baptist work throughout North Carolina.
4. To assist the work of Fruitland Bible Institute as it helps men who have been called to the Christian ministry late in life or who, because of other circumstances, have not been able to attend college or seminary.
5. To help those who are ministering to such groups as: the deaf, persons in correctional institutions, etc.
6. To support the Department of Interracial Cooperation in its work with racial groups.
7. To participate in various conferences and district meetings, informing and encouraging Baptists in the total Baptist work.

SUNDAY SCHOOL

Robert M. Garrett

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things...."

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination - thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrolment gain of approximately 30% in the next five years. We are challenged to have an enrolment of one million in North Carolina by 1970.

If we will follow the simple growth formula advocated many years by Dr. Arthur Flake - locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people - we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the associational Sunday School projects - clinics, conferences, enlargement campaigns; and to attend the Sunday school weeks at Caswell and Ridgcrest. When our Sunday schools begin moving forward, our churches will move forward.

SOUTH MOUNTAIN CAMP

Mrs. W. G. Bandy

South Mountain Baptist Camp is on the old Highway No. 18 between Shelby and Morganton, and is under the direction of Rev. T. A. Lineberger. He reports a total attendance last summer of 2,030, and of these 58 were from five of our South Fork churches. There were five GA camps with a total attendance of 831, and four RA camps with 417 campers. A program of special work and study netted 243 who attained highest honors. The theme of the camp was "Christ, the Hope of the World" (Col. 1:27), and there were 95 professions of faith for the summer. There were also 39 dedications for special service, and 605 renewals of vows, or rededications.

Mr. Lineberger says they are living within their income, clearing from fees about \$3,000 for the summer. Part of this went toward payment of the director, with about \$1,000 yet to come from churches for this purpose. Most of the money received from churches is used for development and improvement of physical properties. We are in debt, he says, \$2,500 to Mr. B. H. Poteet of Morganton. Our association has \$200 in the budget for this camp. It is hoped that all of our churches will make a gift to the camp, and especially those churches who use the services of this struggling, wonderful camp.

TRAINING UNION

Melvin F. Robinson

Rev. M. H. Kendal of the Mars Hill College faculty was guest speaker at the "M" Night meeting held at Mt. Ruhama on November 30th. The report reveals 663 in attendance representing 34 churches, 26 pastors and 29 directors.

The tournaments were held at Mt. Ruhama with excellent participation by the Juniors and several Intermediates competed in the Sword Drill.

Your director attended four Regional and State Meetings during the year, taught one study course on T. U. Methods and conducted one worker's conference.

As your Associational Training Union Director may I ask each of you to re-evaluate your position in training and decide to make this coming year the best for the Lord. Let's pray that His will may be Ours in life as well as Training Union.

Total Resources	\$23,134.35

LIABILITIES:

Indebtedness on Missionary Home	47.67

During the early part of the year, the trustees were successful in calling in the \$2,900.00 out to loan and turned same over to the Scholarship Commission. At the present time we have \$20,000.00 replacement value insurance on the Missionary Home, \$6,000.00 on contents belonging to the South Fork Association and Missionary. This includes extended coverage and liability. Part of the inside of the Missionary home was redecorated for the first time by the Association. Previous painting had been done by the Missionary himself.

WOMAN'S MISSIONARY UNION

Mrs. Richard E. Hicks

Truly we can praise the Lord among the people and sing unto Him among the nations for He has certainly blessed the South Fork WMU this past year. How grateful we are for His leadership and for dedicated women who see the need of missionary education.

Our annual banquet was held in October with 224 women hearing Mrs. Forest Feezor as our guest speaker.

Two mission study institutes were attended by teachers who taught the Foreign and Home Mission study books.

A W M S was organized at the Massapoag Church and several youth groups have been organized throughout the Association.

Our youth work was reactivated and a Y W A Council was organized. A banquet was well attended with our State Director as guest speaker.

Three G A meetings were enjoyed by many girls. Our state G A director came to be with us on one occasion.

The first day camp in many years was held for World Friends - the 8 year old Sunbeams.

The Mount Ruhama W M U did it again. They will walk away with top honors again this year with an Honor W M U.

The Gainesville Church entertained us very graciously for our annual meeting at which time we elected group leaders to better inform our leaders. At this time we also voted to strive for an Honor Association that we might be better laborers together with God.
